MEMORANDUM

TO: Chair and Members of the Board DATE: October 9, 2020
FROM: Jane P. Sawyer RE: Caradundy Colas
Regulations Specialist License 24237

Caradundy Colas, a limited marijuana cultivation facility, is requesting approval to add to their operating plan the use of CO₂, this is on section 4.7 of the MJ-04. See attached.

The licensee is actively working with the fire marshal on this. I am requesting the board to approve this change with the understanding by the licensee that they may not start operating with CO₂ until and if the fire marshal approves it. Temporary was not issued.

Alaska Marijuana Control Board

Form MJ-15: Operating Plan Change

What is this form?

This operating plan change form is required for all marijuana establishment licensees seeking to change a licensed marijuana establishment's existing operating plan, as required by 3 AAC 306.100. With this form, a licensee may request changes to as much or as little as desired of Form MJ-01 and/or the corresponding operating plan supplemental for the establishment's license type.

The required \$250 change fee may be made by check, cashier's check, or money order.

Please complete and submit with this form the pages of Form MJ-01 and/or the corresponding operating plan supplemental that contain sections that you are requesting to change. **All fields must be completed of any page for which you are requesting changes** – upon board approval, the submitted pages will replace those currently on file. If your current, approved operating plan is on the original version of the forms, you may be required to complete and submit the new operating plan forms in their entirety.

The form(s) that I am requesting board approval to change is:

- ☐ **Form MJ-01:** Marijuana Establishment Operating Plan
- ☐ **Form MJ-03:** Retail Marijuana Store Operating Plan Supplemental
- ☒ **Form MJ-04:** Marijuana Cultivation Facility Operating Plan Supplemental
- ☐ **Form MJ-05:** Marijuana Product Manufacturing Facility Operating Plan Supplemental
- ☐ **Form MJ-06:** Marijuana Testing Facility Operating Plan Supplemental

This form must be completed and submitted to AMCO's main office prior to changing existing operations. The licensed establishment's operations may not be altered unless and until the director has given temporary approval or the Marijuana Control Board (MCB) has given final approval of the changes. Please note that licensees seeking to change operating plans for multiple licenses must submit a separate completed copy of this form for each license.

Section 1 – Establishment Information

Enter information for the business seeking to be licensed, as identified on the license application.

Licensee:	Caradundy Colas LLC	MJ License #:	24237

Form MJ-15: Operating Plan Change

Section 2 – Summary of Changes

Provide a summary of the changes for which you are requesting approval.

We wish to include CO2 in our facility.

Section 3 – Declarations

Read each statement below, and then sign your initials in the corresponding box to the right:

Initials

The proposed changes conform to all applicable public health, fire, and safety laws.

I understand that any temporary approval granted by the director is pending a final decision by the MCB; therefore, any investment I make, based upon temporary approval, is at my own risk.

As a marijuana establishment licensee, I declare under penalty of unsworn falsification that this form, including all accompanying schedules and statements, is true, correct, and complete.

Form MJ-04: Marijuana Cultivation Facility Operating Plan Supplemental

You must be able to certify the statement below. Read the following and then sign your initials in the box to the right:

Initials

4.2. The proposed area(s) for cultivation are clearly identified on the Form MJ-02: Premises Diagram that is submitted with this application.

Answer "Yes" or "No" to the following question:

Yes

No

4.3. Will the marijuana cultivation facility include outdoor production?

☐☒

If "Yes", describe the outdoor structure(s) or the expanse of open or clear ground and how it is fully-enclosed by a physical barrier:

NA

4.4. Describe the method(s) used to ensure that any marijuana at the marijuana cultivation facility, whether indoors or outdoors, cannot be observed by the public from outside the facility:

There is no sight path to the cultivation area from any outside position. The front door opens into a hallway. Window are either boarded and secure, or only allows the non-cultivation area to be seen. Cameras, visitor logs, door locks, sensors and alarms will keep uninvited persons out, while any and all visitors will be escorted by an authorize representative of Caradundy Colas LLC.

4.5. Describe the marijuana cultivation facility's growing medium(s) to be used:

Caradundy Colas LLC will use a combination of hydroponic, coco, soil, and rockwool.

4.6. Provide the complete product name and EPA registration # (if applicable) for each of the cultivation facility's pesticide and pest control product to be used. All proposed products must be on DEC's list of approved pesticides in the state of Alaska:

Please see appendix A3 for complete list of AMCO approved products

4.7. Describe all other fertilizers, chemicals, gases, and delivery systems, including carbon dioxide management, to be used at the marijuana cultivation facility:

Caradundy will only use products that meet AMCO guidelines. Nutrients will either be mixed into hydroponic reservoirs, or mixed and hand watered into soil, coco or rockwool pots.
CO2 will be used in the flower rooms. Propane tanks will be located in the flower rooms with tubing going above the oscillating fans. A CO2 sensor will allow us to maintain a safe level of CO2 along with exhaust fans to push air out if needed.
