

MEMORANDUM

TO: Marijuana Control Board

DATE: Thursday, October 22, 2020

FROM:  James Hoelscher, Enforcement Supervisor

RE: Enforcement Report, Marijuana

AMCO Enforcement has been working with Director Klinkhart on moving forward on the discussions held by both boards in September. We have discussed making our drafted priorities into guiding principles, with a focus on prioritization in instances or reports when there is a threat to the public health, safety, and welfare. I have started working on reporting our activity regarding our principles and hope to find a way to accurately present these to the board. I hope to have something ready as a draft report by the January meeting.
