To Whom It May Concern:

I, Krystal Dietrich, Owner of Talkeetna Herb Company, License number 10004, have received a NOV for tax delinquency. It is not a huge amount, a decent amount under \$10,000 with interest. I have been doing my best to stay afloat and get everything paid. I fully intend to pay, I had been keeping up on my payments (which are fairly high at \$1,500 per month), until I had personal home issues such as: paying for my mother's cremation and transportation, being with her at the hospital, 350 miles from home for two months with no where to stay, then getting her moved closer to home and having to drive back and forth to Anchorage, followed by my dog needing an emergency middle of the night c-section (\$3,000), then getting stranded out of state for a month with no way home. Everything fell behind, with all the current licensed cultivators, retailers tend to not even email or call back, ever. It is very frustrating, to say the least. Due to the amount of events this Spring and Summer, I was behind on my payment plan from last year (which automatically defaults it) when the tax account was checked by Enforcement. I am not behind on any current payments or dues, only the two months that are on the payment plan, which are being cared for as I get spare cash for product sold.

I sincerely apologize for my delinquency and hope you will understand my circumstances forced use of funds onhand.

Dear Director Klinkhart,

I am responding to the Notice of Violation (NOV) dated September 28, 2020 concerning our delinquency on paying state excise taxes. Because of State COVID exceptions, excise tax payment was given a moratorium from March 2020 through July 15th 2020. Due to the nature of our farming operation when more cash is going out than coming in early in the season, we were short on full payment by July 15th 2020. However from sales later in July of 2020, we were able to get caught up on excise taxes by July 31 2020. There was a short 2 week period then we were out of compliance and we have been current on taxes ever since. I never did respond to the AMCO office at the time of our NOV and assumed that our quick payment of our delinquency was a sufficient response.

Thank you,

#10040 - Alaska Precision - MJ-20 Response

To whom it may concern,

I have done the best I can to adhere to payment plans however unexpected costs arise and I wasn't able to make all payments. I do feel I have come a long way from the little over \$30,000.00 that I was behind and I assure you I am working diligently to pay the remainder owed up in full. I want nothing more than to be paid up in full with the state. I am hoping to be paid in full in the next 60 days.

Attachment to MJ-20: Section 3 – Violations and Charges

Goldhill Gardens (License number 4a-10481)

To Whom it May Concern,

I have received one or two Notices of Violations this last year. I'm sorry that I can't remember. I believe that I did address them right away, in writing to the Board. The only violation or violations that I have received have been for being late on taxes. I forget the reasons for the delay. It's been a rough year with COVID and my mom's health. I have tried to help out there where I can. She's 92, living in Ohio, and hanging on in a way that I hope I don't have too. Any ways, the taxes are all paid and were, within a month after they were due.

My sincerest apologies for the delays.

Subject: Re: NOV Delinquency in Tax 10481
Attachments: DOR_Screenshot_18FEB2021.png; 40usdMoneyOrder.JPG

Good Morning Mr. Davies,

Attached is a screenshot of my DOR account and a photo of the balance of my tax payments.

The November tax payment was short, and as you know, was paid at the end of December. Honestly, I kind of forgot about the balance, until I received a notice from the DOR in mid January. I had actually paid it shortly afterwards, prior to receiving your letter, but didn't see your email until the other day.

So, also attached is a photo of the money order of the tax balance and the envelope that it was sent in.

I hope this solves any outstanding difficulties with my account.

Please feel free to call me at 907-750-0197 with any questions or comments.

Thank you for your attention with this matter,

Sincerely and with best regards,

Hello,

I am writing in response to the NOV's on 1.25.21, 11.23.20 and 12.28.20 for Alaska Tasty Cannabis License 11488.

We are sorry that we became delinquent on our taxes. With Covid restrictions and having to delegate funds to different things this last year we fell behind a few times. As of now we are completely up to date with our taxes and don't have any plans to fall behind again. We appreciate your time and thanks for all your hard work.

Also attached: original MJ-20 submission, previous POPPP renewal submission & the 3 NOV's in question.

FYI – related license renewal 20151 is being processed separately by me ASAP.

Thanks,

Explanation of NOV's for Taxes for Lic # 12872

Greenstar Inc.

- 1) There were errors in my account with AK DOR, where not only was a large cash payment (+/- \$13,000 for 5/2020, that was made on time) seemingly misplaced, and I had no knowledge of this (as the payment was in fact made) until the issuance of an NOV in July or August, significant overpayments were also made but not credited to my account to the tune of nearly \$16,000. (which was initially brought to my attention by DOR staff, and subsequently, after an audit of my account/returns, was corrected.) upon correction, the issue was resolved, but I did in fact receive NOV's for monies that were not actually owed prior to my account being straightened out. I both communicated this with AMCO, and spoke at an AMCO meeting regarding this.

- 2) I submitted applications for LIC #'s 23692 and 23694 in July 2020, after bearing substantial costs in terms of leasing, equipping, and upfitting the building, DEC wastewater engineering, fire marshall compliance etc. Those applications were not even initially examined until December, at which time I was told that my publisher's affidavits weren't recent enough, and I needed to republish my notifications, which I did the next day. However, the timing meant that the required 3 weeks of publication would preclude me from the January meeting as well by failing to meet the cutoff for being deemed complete by 2 or 3 days. In the meantime, as I was paying lease payments, not having much if any income from the cultivation as I was trying to hold product to be able to have product on hand for retail inventory and concentrates manufacture, without having to purchase from outside sources and incurring even more expense. Due to

burgeoning financial concerns, I held off from completing the upfit until I actually received AMCO and subsequent Borough approval for the licenses in April 2021, and was finally granted the licenses/approval to operate after inspection in May, 2021. I have admittedly fallen behind in my taxes by 2 months since missing the payments due in April and May, for a total of +/- \$14,500 but should have them completely current within 30 days.

While I am certainly not blaming anyone else for my falling behind with the DOR, when the buck must certainly stop with me as the business owner, I do think that the additional and quite substantial financial burden I have had to endure in additional lease payments, upfit costs as material prices soared, maintaining of employees that were meant to be working at these businesses within 90-120 days of my initial submission in July, holding of products (at the expense of income so as to not have to purchase inventory at even greater expense), and consequently no longer having the financial reserves to be able to continue to absorb overhead without some income from the properties I have built out and am leasing for these licenses, I simply could not afford to wait until July to open them so as to avoid renewals being required. And consequently, I am now faced with renewal costs with less than 60 days for these businesses to operate and make the money to accommodate these costs on their own. These are my problems, and while I completely understand that and take full responsibility for the situation, I just wanted to use this opportunity to explain the circumstances that the length of time elapsed to accomplish what I believed was supposed to be a 90-120 day process once my submissions were made (nearly a year) found me in. I believed that I had acted in a responsible fashion, saved the money to be able to weather even 6 months prior to receiving the go ahead to operate and begin to recoup my outlay,

and be in a situation that saw me with 4 or 5 months to operate these businesses and generate the income get back to flush (or at least back to zero) prior to absorbing more expenses.

That simply is not the case, and while I am not making excuses, I am plainly stating the situation that I have found myself in. I have made the renewals, and certainly the taxes will soon be paid and thereafter kept current, but at this moment this is simply the situation that I am in. I didn't think the process would be anywhere near this protracted, and result in this kind of financial hardship that finds me in this situation, as I have been running a licensed facility since 2017, and have always previously found dealings with AMCO to be both easy (as long as you followed the instructions and gave them what they requested in a timely manner) and expedient.

Again, I will have the excise taxes current shortly, and am not at all trying to deflect from my responsibilities, as the buck indeed must stop with me as the business owner. I am not asking for any allowances to be made, or any special considerations, when the whole past year saw EVERYONE get messed up in so many ways, but the renewal application asks for a letter in explanation of the NOV's, so I have explained the situation as best I can. Thank you for affording me the chance to do so.

Sincerely,

Jason M. Bott, President,

Greenstar Inc.

To Whom it may concern:

The two N O V's I received are regarding taxes. The first was back on 7/29/20 and I misunderstood the 60 day deadline. The second one was on 3/17/21 and I got to the post office too late. Since then I have made adjustments to my schedule.

Regarding the Notice of Violations received by Grateful Bud LLC on 9/30/2020

We received 3 NOVs in one email on Wed. Sept. 30, 2020, regarding tax delinquency. At that time, we were already in conversation with the Department of Revenue regarding an informal Payment Plan for July 2020, August 2020, and it would include October 2020 taxes as well. Those months were very high tax months for us, in addition to some other bill necessary to keep the business running. For example, in July of 2020, we owed over \$17,000 in taxes to the state, despite being a small cultivation, with a flowering area of only 16 feet by 24 feet.

We believe the NOVs were for the tax periods of April 2020 (paid August 18th, 2020), May 2020 (paid September 23rd, 2020), June 2020 (paid September 23rd, 2020), and July 2020 (which we put on a payment plan on November 2nd 2020 and completed payment on April 1st 2021).

Since the payment plan was established on November 2, 2020, we have faithfully and fully paid our Payment Plan payments and our state tax payments, records of which have also been included to prove that, although we have a remaining balance on Revenue Online, it is for tax payments last year prior to the payment plan agreement made with the Department of Revenue.

We at Grateful Bud LLC recognize that we were in the wrong for delaying tax payments, and have been striving ever since to ensure that the state gets their money in a timely fashion.

Thank you,

Grateful Bud LLC

In response to E-mail colerjbear89.ng@gmail.

Jason,

In response to Violation of 8-26-2021.
Attached you will find copies of
two voice mails from the State of Alaska.

I Susan Church-Powerstein have been
working on BroBroBudz account with
the department of Revenue for the past
3 years, learning the ropes.

Speaking with Eric mainly, Emily
took over for Eric.

I phoned Emily on Aug. 31st with
a couple questions at the Dept. of Revenue.

absolutely screaming children in the back ground???(our tax dollars at work)?? Emily then stated threw screaming children. I Susan did not have a P.O.A. on file???

I Susan could not work in the file for BioBroBudy, until my son Alwyn Hovestein gave permission?? What about the last 3 years??

I contacted Kelly Navei at the Dept. of Revenue, Supervisor.

Kelley has handled it since, in which it took another 2 weeks to make this all happen, for Alwyn Hovestein to give permission for his mom Susan Church-Hovestein to work on file.

So very disappointing to see our hard earned tax dollars, put to such poor use of time & energy.

Most Sincerely

Susan Church-Hovestein

Concerning Bro Bro Budz excise tax, we apologize for our delay, we had a death in the immediate family, had to travel out of State and do the quarantine.

We have been in contact with Erin Rabin-Ethridge with the state. Bro Bro Budz will make a cash payment money drop on Weds. 4-7-2021 acct. IDMRT10118128-004. For January 2021, Bro Bros have filed for Feb 2021 but believe there to be an error on that month return we are currently figuring that out and will file amended return if necessary. We are diligent with our business practices, sometimes we have unforeseen situations happen.

Thank you for your kind understanding

Re: Notice of Violations – Green Acres 907

License # 19466

Dear AMCO Enforcement,

This letter is in response to the NOV received on September 28, 2020 for July 29, 2020 delinquent excise tax liability, NOV received September 28, 2020 for August 24, 2020 delinquent excise tax liability, NOV received September 28, 2020 for September 24, 2020 delinquent excise tax liability and NOV received November 23, 2020 for November 18, 2020 delinquent excise tax liability.

The licensee was late on one payment which created a snow-ball effect. All marijuana excise taxes for 2020 have been paid in full.

The licensee understands the importance of paying taxes on time and is working on better business practices to ensure that excise taxes are prioritized.

Truly and Sincerely Yours,
