(A) the application is true, correct and complete;

(B) the applicant has read and is familiar with AS 17.38 and this chapter;

and

(C) the applicant will provide all information the board requires in support of the renewal application.

Commented [SJP(1): This change basically removes 3 AAC 306.020(b) (3) and 306.020(b) (9) which are the provisions requiring entity documents (partnership agreements, operating agreements, bylaws, etc.)

Commented [SJP(2): This would make the (lease, deed, etc.) a requirement of the licensee to provide upon AMCO's request)
