

MEMORANDUM

TO: Marijuana Control Board

DATE: December 8, 2022

FROM: Nathanael Hall, Occupational
Licensing Examiner-AMCO

RE: (6) Anchorage Bowl LLC applications

Requested Action: This memorandum comprises six related applications, all for licensee Anchorage Bowl LLC –

- #12316 Retail Marijuana Store license renewal
- #12317 Limited Marijuana Cultivation Facility license renewal
- #12318 Marijuana Product Manufacturing Facility license renewal
- #12316 Retail Marijuana Store license controlling interest transfer
- #12317 Limited Marijuana Cultivation Facility license controlling interest transfer
- #12318 Marijuana Product Manufacturing Facility license controlling interest transfer application

Licensee Anchorage Bowl LLC entity official Shelton Landon is requesting a time extension on their three renewal application deadline(s) so that the related three pending controlling interest transfer applications be processed first, thus removing the requirement for outgoing entity officials Arthur Kanack and Jon Fischer to participate in the 2022-2023 renewal application process. None of the three licenses received a Notice of Violation between July 1, 2021 and June 30, 2022. Mr. Landon is formally disputing a creditor's lien being placed upon the 12316, 12317 and 12318 licenses for unpaid debts.

Based upon prior precedent set at the previous January 20-21, 2022 meeting in which the board deemed transfers and renewal applications complete regardless of civil disputes, AMCO is asking the board to

- a) consider deeming the three renewal applications complete as is;
- b) consider approval of the three renewal applications;
- c) consider approval of the three controlling interest transfer applications; and
- d) consider the creditor's formal request for lien attachment as a delegation item to the three licenses.
