MEMORANDUM

TO: Marijuana Control Board

DATE: Monday, February 27, 2023

FROM:  James Hoelscher, Enforcement Chief

RE: Enforcement Report, Marijuana

The AMCO Enforcement Unit is currently fully-staffed and continues to respond to complaints and answer questions, inspect premises and investigate observed and reported violations.

AMCO Enforcement has recently been invited to teach at the Village Police Officer Academy #40, held in Bethel from January 26 to February 17, 2023. Investigator Chiesa travelled to Bethel and instructed VPO's in Alcohol & Marijuana Laws. Investigator Chiesa also provided instruction for Electronic Control Devices (TASER).

In addition to this training, AMCO Enforcement gave a presentation to the attendees of the 15th Annual Fire and Buildings Officials Forum on February 15, 2023.

We are starting the process of recruitment for an addition of a Special Investigator I position (range 19) starting in FY2023.

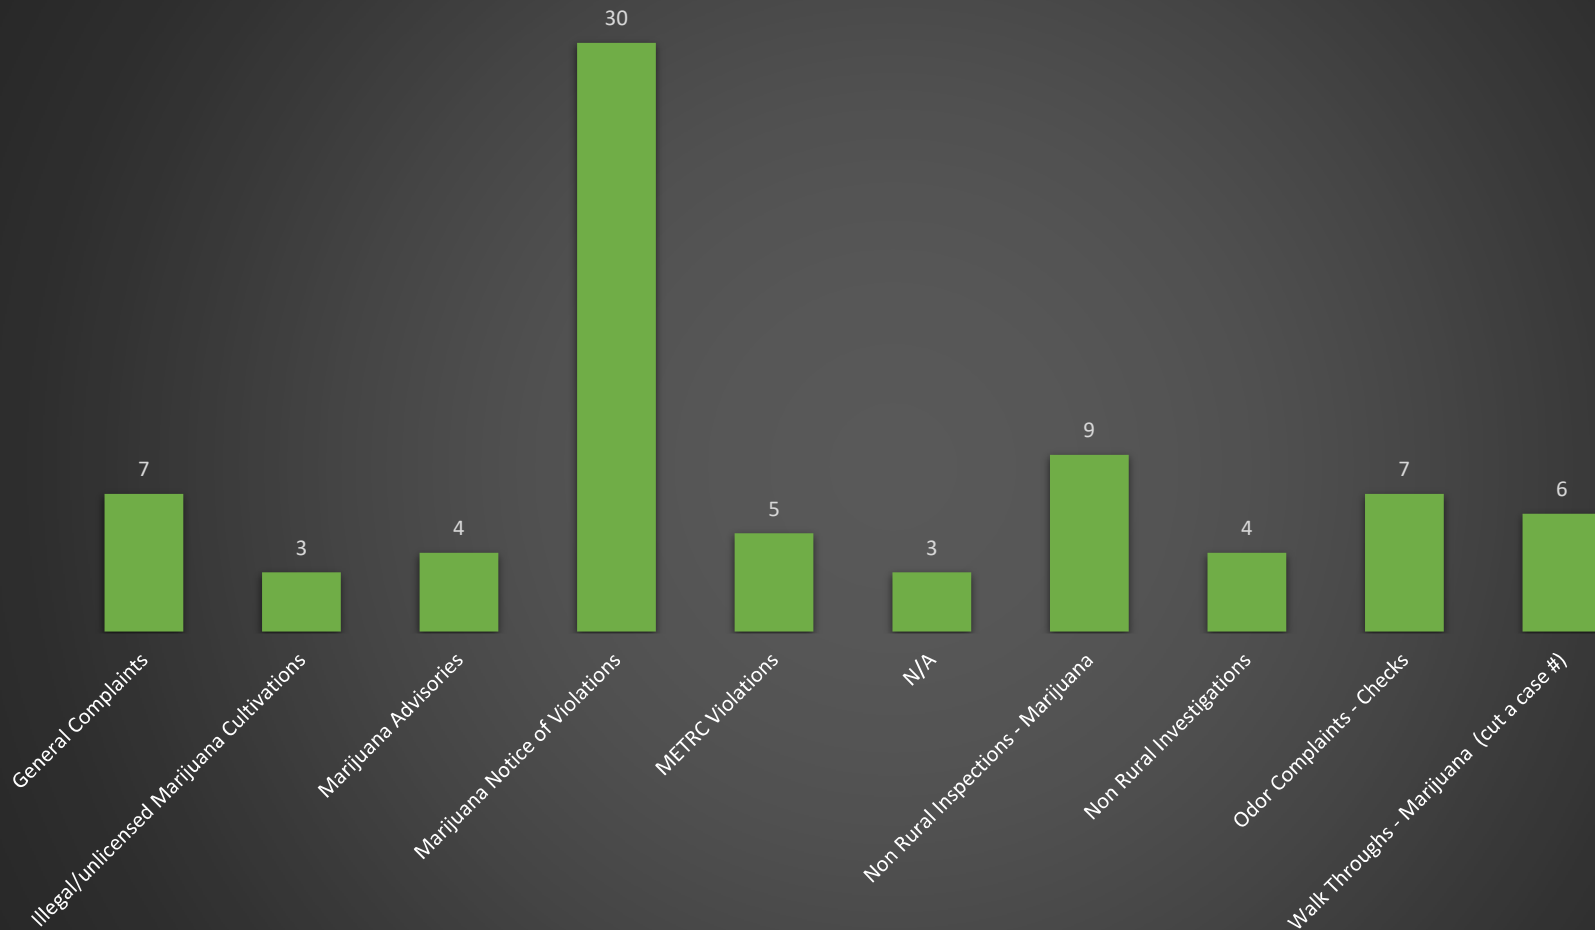

We have focused on alcohol inspections and have increased our inspections by nearly 200% from the last reporting year. We have also increased our marijuana inspections by 128%. This increase has occurred without any detriment to any other services AMCO Enforcement provides and is a result of the Enforcement staff meetings on varying topics with the goal of improvement and streamlining.

We are also working closely with Director Wilson and AMCO's Local Government Specialist on receiving accurate quarterly reports for alcohol violation within municipalities.
