	12.16.24. Board to consider at 2.5-6.2025 mtg.
Pesticides and Heavy Metals- Permissible Levels	Opened at Sept 2024 meeting. Jessica Alexander, licensee/industry member to present. On agenda for 11.20.24 board meeting. A broader project is envisioned. On agenda for further discussion at 2.5-6.2025 mtg.
Increase the THC content per serving-edibles/as of 11.20.24 'definition of total thc' prior project 2024200434 is now incorporated.	Opened at Sept 2024 meeting with guideline to staff to investigate and bring to board early 2025. At 11.20.24 mtg board updated scope of 'definitions of total thc' project 2024200434 to include potency discussion and looking at 'total thc', 'active thc' and 'thc' throughout regs. Incorporating now closed 'total thc definition' into this open project to address interrelated issues as Law closed prior project 2024200434 because scope changed.
Fine Schedule	Opened at Nov. 2024 meeting. Amend discrepancies in fine schedule.

Two projects became effective since the November 2024 meeting:

- Edibles Only for Onsite Consumption eff. 12.8.2024.
- Location of Exterior Window Pick-Ups eff. 12.8.2024.
