This is a notice to you as a licensee that you are being issued a notice of violation for the purposes described in 3 AAC 306.806(e). A description of the violation is as follows,

NOTE: This is not an accusation or criminal complaint.

On 5-28-26, an inspection was conducted at your facility. All personnel were asked to provide proof of current marijuana hander permits. Mr. D. Robe was observed behind the counter, (in the restricted access area), checking identification and then going further into the restricted access area where offices and marijuana product are stored. Store Manager Hamo Sega stated Robe works for the Blazing Pig, a tobacco store with a shared retail space with High Rise, and has been for the past 3 to 4 years. Inv. Hamilton told Mr. Sega that Mr. Robe could not be in the restricted access area without a marijuana hander permit or being signed into the visitors log and escorted. Mr. Sega signed Mr. Robe into the visitors log. On 5-29-26, Licensee Jack Schactler sent an email stating since Mr. Robe did not handle marijuana products, his renewal "slipped through the cracks". Mr. Robe's handler permit, #32236, had expired on 2-4-25.

Your attention is directed to 3 AAC 306.320: Marijuana handler permit required, which reads in part, "A retail marijuana store shall ensure that (1) each agent who is required or permitted to be physically present on the licensed premises at any time, each licensee, and each employee obtains a marijuana handler permit as provided in 3 AAC 306.700 before being licensed or employed at a retail marijuana store; and (2) each licensee, employee, or agent has that person's marijuana handler permit card in that person's immediate possession, or a valid copy on file on the premises, at all times when on the licensed premises of the retail marijuana store."

3 AAC 306.700: Marijuana handler permit which reads in part, "(a) Each agent of the marijuana establishment who sells, cultivates, manufactures, tests, or transports marijuana or a marijuana product, or who checks the identification of a consumer or visitor, and each licensee and employee must obtain a marijuana handler permit from the board before being licensed or beginning employment at a marijuana establishment."
