**NOTE: This is not an accusation or criminal complaint.**

On 5-11-26 Investigators Hamilton and Linger conducted an inspection of your facility. The following was noted: METRC indicated there were 114 tagged plants in Veg Room. Physical count of the room revealed 89 plants for a total of 25 unaccounted for plants. METRC showed 49 plants in the Flower Room. A physical count and using METRC wand showed 45 plants accounted for, leaving 4 plants unaccounted for. Located in the Freezer were 12 untraceable packages, all w/out METRC tags; some showed no weight or date on the package, minimum weight those packages is 12 lbs. Located in the Safe were 25 packages; 12 partially filled totes with marijuana, 140 1g joints in individual tubes, and 13 plastic bags with marijuana product. None of these products had METRC tags. Six totes were marked with a strain, 19 packages had no strain names, 14 plastic bags had net weights on them. Total items with using the net weight, there was at least 58 pounds of product not identified with a METRC tag. Multiple batches and harvests existed in METRC that needed to be zeroed out. Harvest Dirty Banana and Lemon Head consisting of 12 plants total were not entered into METRC. However, after the inspection, they were entered. METRC lists several different locations but in reality, there are only two rooms, a safe and a freezer (located in grow room) where product can be entered/stored.

3 AAC 306.405. Standard marijuana cultivation facility: privileges and prohibited acts. (a) A licensed standard marijuana cultivation facility is authorized to (1) propagate, cultivate, harvest, prepare, cure, package, store, and label marijuana; (5) store inventory on the licensed premises; any stored inventory must be secured in a restricted access area and accounted for in the marijuana cultivation facility's marijuana inventory tracking system as required under 3 AAC 306.730;....

3 AAC 306.435. Marijuana inventory tracking system. (a) A marijuana cultivation facility shall (1) use a marijuana inventory tracking system in compliance with 3 AAC 306.730 to ensure all marijuana propagated, grown, or cultivated on the marijuana cultivation facility's premises is identified and tracked from the time the marijuana is propagated through transfer to another licensed marijuana establishment.....

3 AAC 306.730. Marijuana inventory tracking system. (a) A marijuana establishment shall use a marijuana inventory tracking system capable of sharing information with the system the board implements to ensure all marijuana cultivated and sold in the state, and each marijuana product processed and sold in the state, is identified and tracked from the time the marijuana is a seed or cutting to a completed sale of marijuana or a marijuana product, or disposal of the harvest batch of marijuana or production lot of marijuana product.

This is a written explaination of why for why we cannot certify one of the statements on the MJ-20, section 3

We had an ispection on 5/11/2026 which resulted in a NOV case #26-0855 on 5/14/26.

A request for a informal conference with the director/board so we can present our case of this NOV case#26-0855 which was granted for 6/9/26 and heard, then sent on to the Board to be heard on 6/24/26.

We are still in a NOV violation which resulted in a adinistration hold on that date, along with the investigators coming in on 6/26/26 to inventory said NOV which they confiscated all products that were not recorded in metric.

We have been working with metric on certain recording issues we have had.

Sincerely

☒ **License Renewal Application** ☐ **Endorsement Renewal Application**

**Dear Licensee:**

After reviewing your renewal documents, AMCO staff has deemed the application complete for the purposes of 3 AAC 306.035(c).

Your application will now be sent electronically, in its entirety, to your local government, your community council (if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough), and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest your application per 3 AAC 306.060.

At the May 15, 2017 Marijuana Control Board meeting, the board delegated to AMCO Director the authority to approve renewal applications. However, the board is required to consider this application

independently if you have been issued any notices of violation for this license, if your local government protests this application, or if a public objection to this application is received within 30 days of this notice under 3 AAC 306.065.

If AMCO staff determines that your application requires independent board consideration for any reason, you will be sent an email notification regarding your mandatory board appearance. Upon final approval, your 2026/2027 license will be provided to you during your annual inspection. If our office determines that an inspection is not necessary, the license will be mailed to you at the mailing address on file for your establishment.

Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

**Dear Local Government:**

AMCO has received a complete renewal application and/or endorsement renewal application for a marijuana establishment within your jurisdiction. This notice is required under 3 AAC 306.035(c)(2). Application documents will be sent to you separately via ZendTo.

To protest the approval of this application pursuant to 3 AAC 306.060, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of the date of this notice, and provide AMCO proof of service of the protest upon the applicant.

3 AAC 306.060 states that the board will uphold a local government protest and deny an application for a marijuana establishment license unless the board finds that a protest by a local government is arbitrary, capricious, and unreasonable. If the protest is a "conditional protest" as defined in 3 AAC 306.060(d)(2) and the application otherwise meets all the criteria set forth by the regulations, the Marijuana Control Board may approve the license renewal, but require the applicant to show to the board's satisfaction that the requirements of the local government have been met before the director issues the license.

At the May 15, 2017, Marijuana Control Board meeting, the board delegated to AMCO Director the authority to approve renewal applications with no protests, objections, or notices of violation. However, if a timely protest or objection is filed for this application, or if any notices of violation have been issued for this license, the board will consider the application. In those situations, a temporary license will be issued pending board consideration.

If you have any questions, please email amco.localgovernmentonly@alaska.gov.

Sincerely,

Kevin Richard, Director
