This is a notice to you as a licensee that you are being issued a notice of violation for the purposes described in 3 AAC 306.806(e). A description of the violation is as follows,

NOTE: This is not an accusation or criminal complaint.

On 8-27-25, while conducting an inspection at your facility with Manager Kendra Howell. An unidentified female entered the store and proceeded directly into the office, a restricted area. Upon her coming out, she asked where the cash was; referring to sales. Ms. Howell indicated it was in envelopes in the office. I asked the female to provide her Marijuana Handlers Permit (MHP). Initially she replied it was in her vehicle but later stated it was in the office. I gave her my information and directed to send a copy of the MHP to me via email or text. Ms. Howell said she was a person who delivered paychecks. As of 8-29-25, I had not received any information and contacted Licensee Ms. Stevens. Ms. Stevens said she was an employee from the CPA firm picking up cash and dropping of payroll. She added that she, Jessica Davis, does have a handlers card but realized when she went back to the office it had expired. A check of AMCO data base revealed it has expired 6-18-22 and has initiated paperwork to obtain a new card.

Your attention is directed to 3 AAC 306.710: Restricted access areas which reads in part, "(a) A marijuana establishment shall restrict access to any part of the licensed premises where marijuana or a marijuana product is grown, processed, tested, stored, or stocked. And, (c) In a restricted access area, a licensee, employee, or agent of the marijuana establishment shall have on display, either on the person or in a readily accessible location on the licensed premises, a current identification badge bearing the person's photograph. A person under 21 years of age may not enter a restricted access area."

RE: Response to Notice of Violation (AMCO Case #25-1263)

On behalf of Wildflower License #21069, I am writing in response to the Notice of Violation issued on September 9, 2025. We take this matter seriously and wish to provide clarification and outline our remedial measures.

The individual involved in this incident is an employee of Licensee Janiese Stevens' CPA firm. On the date in question, she was assisting the licensee by picking up cash and dropping off payroll while the licensee was out of town. The individual does not normally perform duties at Wildflower, nor does she have any ongoing role in the operation of the licensed premises. She does, however, from time to time, assist with payroll obligations of the company, which was the purpose of her visit. However, she should not have been in a restricted access area without an handler permit or without signing into the visitor log and being supervised.

The individual had previously obtained a marijuana handler's permit, but upon arriving at the store, she realized the card she had on hand was expired. She immediately returned to her office to retrieve her records and has since initiated the renewal process with AMCO. We expect her updated handler's card to be issued shortly, and a copy of the renewed card will be forwarded as soon as it becomes available.

We recognize the importance of strict compliance with the regulations and handler card requirements and the individual should have signed into the visitor log for a supervised pick-up/drop-off in the restricted access area. To prevent this issue from recurring, the licensee has implemented the following remedial measures:

1. Only employees of the licensee with valid handler card permits will be authorized to handle cash, payroll, or any business activity in a restricted access area.

2. Any temporary assistance provided by outside professionals (such as the licensee's CPA firm) will be coordinated in advance, with confirmation that their handler's cards are valid and current. If they do not have active valid handler cards, they will be considered visitors and comply with the visitor policy.
3. Staff and contractors will be reminded that expired handler's cards cannot be used under any circumstances.

We respectfully submit this explanation to clarify the limited and exceptional nature of this incident. We believe the risk of recurrence is minimal given the corrective steps taken and appreciate the opportunity to address this matter proactively.

Thank you for your consideration, please let me know if you need any further information.

Truly and Sincerely Yours,

Jana D. Weltzin, *Esq.*

☒ **License Renewal Application** ☐ **Endorsement Renewal Application**

Dear Licensee:

After reviewing your renewal documents, AMCO staff has deemed the application complete for the purposes of 3 AAC 306.035(c).

Your application will now be sent electronically, in its entirety, to your local government, your community council (if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough), and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest your application per 3 AAC 306.060.

At the May 15, 2017 Marijuana Control Board meeting, the board delegated to AMCO Director the authority to approve renewal applications. However, the board is required to consider this application

independently if you have been issued any notices of violation for this license, if your local government protests this application, or if a public objection to this application is received within 30 days of this notice under 3 AAC 306.065.

If AMCO staff determines that your application requires independent board consideration for any reason, you will be sent an email notification regarding your mandatory board appearance. Upon final approval, your 2026/2027 license will be provided to you during your annual inspection. If our office determines that an inspection is not necessary, the license will be mailed to you at the mailing address on file for your establishment.

Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

Dear Local Government:

AMCO has received a complete renewal application and/or endorsement renewal application for a marijuana establishment within your jurisdiction. This notice is required under 3 AAC 306.035(c)(2). Application documents will be sent to you separately via ZendTo.

To protest the approval of this application pursuant to 3 AAC 306.060, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of the date of this notice, and provide AMCO proof of service of the protest upon the applicant.

3 AAC 306.060 states that the board will uphold a local government protest and deny an application for a marijuana establishment license unless the board finds that a protest by a local government is arbitrary, capricious, and unreasonable. If the protest is a "conditional protest" as defined in 3 AAC 306.060(d)(2) and the application otherwise meets all the criteria set forth by the regulations, the Marijuana Control Board may approve the license renewal, but require the applicant to show to the board's satisfaction that the requirements of the local government have been met before the director issues the license.

At the May 15, 2017, Marijuana Control Board meeting, the board delegated to AMCO Director the authority to approve renewal applications with no protests, objections, or notices of violation. However, if a timely protest or objection is filed for this application, or if any notices of violation have been issued for this license, the board will consider the application. In those situations, a temporary license will be issued pending board consideration.

If you have any questions, please email amco.localgovernmentonly@alaska.gov.

Sincerely,

Kevin Richard, Director
