Re: Failure to pay taxes under AS 43.61.010 by licensed marijuana cultivation facilities

As authorized by Alaska Statutes and Regulations, AS 43.05.230(e), AS 43.61.030 and 15 AAC 61.020, the Department of Revenue will inform the Marijuana Control Board (MCB) of licensed cultivators that have failed to pay tax due or file a return as required by law. This action supports the MCB in carrying out its responsibilities under AS 17.38.121(b)(3), which includes reviewing license applications and directing the executive director to issue, renew, suspend, or revoke licenses as authorized.

The authority to suspend a cultivation license for failing to pay taxes is established under AS 43.10.045, Suspension of Licenses. The statute states that, in addition to any other penalties under this title, if a person authorized to conduct business under a state-issued license fails to pay a tax levied under this title, that person's license is suspended until all taxes, including interest and penalties, are paid in full.

As of August 27th, 2026, there were 12 cultivation facilities with active licenses that failed to pay marijuana excise taxes as required under AS 43.61.010 for tax periods through June 30, 2026, and did not have an approved payment plan in place. The list in Appendix A, page 2, excludes accounts that are currently in payment plans and those that have past due balances under \$200.

There were also 37 cultivation facilities with inactive licenses that failed to pay marijuana excise taxes as required under AS 43.61.010. A license is deemed inactive when the MCB notifies the Department of Revenue that they have suspended, revoked, or declined to renew the license or licenses. This list is included in Appendix B, page 3.

For your convenience, we have included an analysis of past-due tax amounts for the current period compared to prior periods in Appendix C, page 4.

Sincerely,
Savannah Ritter, Tax Auditor

Re: Failure to pay taxes under AS 43.61.010 by licensed marijuana cultivation facilities

As authorized by Alaska Statutes and Regulations, AS 43.05.230(e), AS 43.61.030 and 15 AAC 61.020, the Department of Revenue will inform the Marijuana Control Board (MCB) of licensed cultivators that have failed to pay tax due or file a return as required by law. This action supports the MCB in carrying out its responsibilities under AS 17.38.121(b)(3), which includes reviewing license applications and directing the executive director to issue, renew, suspend, or revoke licenses as authorized.

The authority to suspend a cultivation license for failing to pay taxes is established under AS 43.10.045, Suspension of Licenses. The statute states that, in addition to any other penalties under this title, if a person authorized to conduct business under a state-issued license fails to pay a tax levied under this title, that person's license is suspended until all taxes, including interest and penalties, are paid in full.

As of July 16th, 2026, there were 15 cultivation facilities with active licenses that failed to pay marijuana excise taxes as required under AS 43.61.010 and did not have an approved payment plan in place. The list in Appendix A, page 2, excludes accounts that are currently in payment plans and those that have past due balances under \$200.

There were also 37 cultivation facilities with inactive licenses that failed to pay marijuana excise taxes as required under AS 43.61.010. A license is deemed inactive when the MCB notifies the Department of Revenue that they have suspended, revoked, or declined to renew the license or licenses. This list is included in Appendix B, page 3.

For your convenience, we have included an analysis of past-due tax amounts for the current period compared to prior periods in Appendix C, page 4.

There were also 35 cultivation facilities with inactive licenses that failed to pay marijuana excise taxes as required under AS 43.61.010.
