Written Explanation Pursuant to 3 AAC 306.035(b)
License No. 33144 – Hidden Farms LLC

Hidden Farms LLC is providing this written explanation in connection with Form MJ-20, Section 3 – Violations & Charges, regarding a Notice of Violation issued by the Alcohol & Marijuana Control Office (AMCO) during the renewal reporting period.

On May 29, 2026, Hidden Farms LLC received Notice of Violation Case No. AM-26-1090 following a routine AMCO inspection relating to six vegetative marijuana plants located in the cultivation facility vegetative room.

At the time of inspection, the six plants had been entered into the METRC inventory tracking system and assigned unique plant identification numbers; however, physical RFID tags had not yet been assigned to the plants which exceed 18” in height. Facility personnel informed investigators during the inspection that the plants were in METRC although not yet physically tagged with the RFID tags.

Following the inspection, Hidden Farms immediately assigned RFID tags to the six plants and reinforced internal procedures regarding plant tagging and METRC compliance to prevent any potential for future recurrence.

Hidden Farms has submitted a formal response to AMCO regarding the Notice of Violation and respectfully requested reconsideration of the cited violations based on the factual circumstances, including that the plants had already been entered into and tracked within the METRC inventory system prior to inspection.

This matter did not involve diversion, missing inventory, concealment, or untracked marijuana inventory. Hidden Farms remains committed to maintaining full compliance with AS 17.38, 3 AAC 306, and all applicable AMCO requirements.

Respectfully submitted,

Derek Clark

☒ **License Renewal Application** ☐ **Endorsement Renewal Application**

Dear Licensee:

After reviewing your renewal documents, AMCO staff has deemed the application complete for the purposes of 3 AAC 306.035(c).

Your application will now be sent electronically, in its entirety, to your local government, your community council (if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough), and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest your application per 3 AAC 306.060.

At the May 15, 2017 Marijuana Control Board meeting, the board delegated to AMCO Director the authority to approve renewal applications. However, the board is required to consider this application independently if you have been issued any notices of violation for this license, if your local government protests this application, or if a public objection to this application is received within 30 days of this notice under 3 AAC 306.065.

If AMCO staff determines that your application requires independent board consideration for any reason, you will be sent an email notification regarding your mandatory board appearance. Upon final approval, your 2026/2027 license will be provided to you during your annual inspection. If our office determines that an inspection is not necessary, the license will be mailed to you at the mailing address on file for your establishment.

Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

Dear Local Government:

AMCO has received a complete renewal application and/or endorsement renewal application for a marijuana establishment within your jurisdiction. This notice is required under 3 AAC 306.035(c)(2). Application documents will be sent to you separately via ZendTo.

To protest the approval of this application pursuant to 3 AAC 306.060, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of the date of this notice, and provide AMCO proof of service of the protest upon the applicant.

3 AAC 306.060 states that the board will uphold a local government protest and deny an application for a marijuana establishment license unless the board finds that a protest by a local government is arbitrary, capricious, and unreasonable. If the protest is a "conditional protest" as defined in 3 AAC 306.060(d)(2) and the application otherwise meets all the criteria set forth by the regulations, the Marijuana Control Board may approve the license renewal, but require the applicant to show to the board's satisfaction that the requirements of the local government have been met before the director issues the license.

At the May 15, 2017, Marijuana Control Board meeting, the board delegated to AMCO Director the authority to approve renewal applications with no protests, objections, or notices of violation. However, if a timely protest or objection is filed for this application, or if any notices of violation have been issued for this license, the board will consider the application. In those situations, a temporary license will be issued pending board consideration.

If you have any questions, please email amco.localgovernmentonly@alaska.gov.

Sincerely,

Kevin Richard, Director
