Question to board: How do you wish to reduce requirements here (b)(1),(2),(3)? Repeal? Amend?

(b) A licensed retail marijuana store with an approved onsite consumption endorsement is authorized to sell, for consumption at the time of purchase and only in an area designated as the marijuana consumption area,

(1) marijuana bud or flower, in quantities not to exceed one gram to any one person per day;

(2) edible marijuana products in quantities not to exceed 25 milligrams of THC to any one person per day; and

(3) a vaping device that contains not more than 0.3 grams of marijuana concentrate to any one person per day; a person may not consume marijuana concentrate onsite by a means other than vaping as described in this paragraph.

3 AAC 306.565(f) is amended to read: (conforming change-placeholder only)

3 AAC 306.565. Packaging of marijuana products. This subsection included as a placeholder only. 306.565 is repealed in the AO-360 packaging and labeling project and encompassed in a new section under Article 7. Any change here to be reflected in that project.
