(f) When the director informs an applicant that its application is incomplete as provided in (e) of this section, the applicant must complete the application not later than 90 days after the date of the director's notice. If an applicant fails to complete its application during the 90-day period after the director's notice, the applicant must file a new application and pay a new application fee to obtain a marijuana establishment license or endorsement.

(g) The director may, not less than 90 days after initiation of an application, inform an applicant by electronic mail at the address provided by the applicant that missing application requirements listed in 3 AAC 306.020 must be submitted within 90 days. 3 AAC 306.030. Petition for license or endorsement in area with no local government

(a) The board will not approve a new marijuana establishment license, a new onsite consumption endorsement, or an application for a **transfer of a license to another location** in an area outside, but within 50 miles of, the boundary of a local government unless the board receives a petition to issue the license or endorsement, signed by a majority of the permanent residents residing within one mile of the proposed premises.

(b) The board will not approve a new license or new onsite consumption endorsement in an area that is 50 miles or more from the boundary of a local government unless the board receives a petition to issue the license or endorsement containing the signatures of two-thirds of the permanent residents residing within a radius of five miles of the United States post office station nearest to the proposed licensed premises. If there is no United States post office station within a radius of five miles of the proposed licensed premises, the petition must be signed by two-thirds of the permanent residents residing within a five-mile radius of the proposed licensed

premises.

(c) A petition authorized by this section must be on a form the board prescribes. (a) On or before May 1 of each year, the director shall send notice that a marijuana establishment with a license in active and operating status must file a renewal application not later than June 30 of the current year. The director shall send the notice to the marijuana establishment's electronic mailing address on file with the board. In the notice the director shall include a hyperlink for the marijuana establishment to access the electronic renewal application by means of the Internet, along with instructions on using and submitting the form. Any marijuana establishment with a license in active and operating status on or before June 30 of the current year must submit the completed renewal application, along with the license renewal fee, to the director not later than June 30 of each year. If June 30 falls on a Saturday or Sunday, the deadline is extended to 4:30 p.m. on the first business day following June 30. If mailed, the complete renewal application and fee must be postmarked by the deadline. A marijuana establishment must maintain a current electronic mailing address on file with the director. A marijuana establishment is not excused from filing a renewal application as required in this section even if the marijuana establishment fails to receive a renewal notice from the director.

(b) A marijuana establishment's renewal application must

(1) identify the license sought to be renewed by license number, license type, establishment name, and premises address;

(5) declare under penalty of unsworn falsification that

(A) the application is true, correct and complete;

(B) the applicant has read and is familiar with AS 17.38 and this chapter;

and

(C) the applicant will provide all information the board requires in support of the renewal application.

(c) If the director determines that the renewal application is complete, the director shall give written notice of a renewal application to

(1) the applicant;

(2) each local government with jurisdiction over the applicant's proposed licensed premises;

(3) the community council if the proposed licensed premises are located within the boundary of a community council established by municipal charter or ordinance; and

(4) any nonprofit community organization that has requested notification in writing.

(d) The director may require an applicant for renewal or reinstatement of a license under this chapter to submit fingerprints and pay fees as required by 3 AAC 306.055(a).

(e) A licensee required to submit a renewal application under (a) of this section that does not deliver a renewal application to the director on or before June 30 of each year is delinquent and must pay the late renewal application fee under 3 AAC 306.100(b) with the renewal application.

(f) On or before August 15 of each year, the director shall deliver a notice of expiration to each marijuana establishment required to submit a renewal application under (a) of this section that has not filed a complete application for renewal of a license, along with any applicable affidavit and the required fee, unless the marijuana establishment has notified the director that it does not intend to seek a renewal of its license. The director shall deliver the notice of expiration to the electronic mail address the marijuana establishment has provided to the director. A marijuana establishment is not excused from filing a license renewal application not later than

August 31 of each year even if the marijuana establishment does not receive the notice of expiration described in this section.

(g) If a marijuana establishment required to submit a renewal application under (a) of this section fails to deliver a complete license renewal application or fails to pay the required renewal fee and the late renewal application fee on or before August 31 of each year, that marijuana establishment license expires at 12:00 midnight on August 31 of that year. Any holder of an expired license that seeks authority to operate must file a complete new application under 3 AAC 306.020, and 3 AAC 306.025, along with the required fees. A holder of an expired license may apply for reinstatement as described in (i) of this section.

(h) The board may renew a license where a licensee is not considered a resident of the state as defined at 3 AAC 306.015(f)(2), if, as part of the renewal application, the licensee submits documentation to the board's satisfaction that

- (1) the licensee's primary residence is in the state;
- (2) the licensee has good cause for not meeting the requirements to be a resident of the state as defined at 3 AAC 306.015(f)(2); and
- (3) the cause of not meeting the requirements to be a resident of the state as defined at 3 AAC 306.015(f)(2) is temporary.

(i) A holder of an expired license under (g) of this section may apply to the board for reinstatement of a license not later than September 30 of the year on which the license expired. When applying for reinstatement, the applicant shall

- (5) pay the non-refundable license reinstatement fee set out under 3 AAC

306.100(b).

(j) Nothing in (i) of this section gives any person a right to reinstatement of the license. License reinstatement will be granted solely as described under this chapter.

(k) Granting license reinstatement does not prevent the board from taking additional disciplinary action against the licensee. (Eff. 2/21/2016, Register 217; am 12/28/2017, Register 224; am 2/21/2019, Register 229; am 3/25/2020, Register 233; am 7/30/2022; am 1/22/2023, Register 245)

3 AAC 306.040. Ownership change

(c) An individual identified in this section shall submit the individual's fingerprints and the fees required by the Department of Public Safety under AS 12.62.160 for criminal justice information. 3 AAC 306.050. Relocation of licensed premises not allowed. Repealed. (Eff. 2/21/2016, Register 217; repealed 1/22/2023, Register 245)

3 AAC 306.055. Criminal justice information and records

(a) When filing an application for a new marijuana establishment license, transfer of a license to another person, or ownership change, the applicant, including each individual listed in 3 AAC 306.020(b)(2), must submit the person's fingerprints and the fees required by the Department of Public Safety under AS 12.62.160 for criminal justice information. An individual who has submitted fingerprints and fees under this section is not required to submit a new set of fingerprints and fees for a second or subsequent application for a new license, transfer of a marijuana establishment license to another person, or ownership change, if the second or subsequent application is submitted not later than 12 calendar months after the date criminal justice information is received in response to the initial submission of fingerprints and fees.

(b) The director shall submit the fingerprints to the Department of Public Safety to obtain a report of criminal justice information under AS 12.62. The board will use the information obtained under this section to determine if an applicant is qualified for a marijuana establishment license.

(c) In this section, "criminal justice information" has the meaning given in AS 12.62.900. (Eff. 2/21/2016, Register 217; am 5/9/2019, Register 230; am 1/22/2023, Register 245)

3 AAC 306.060. Protest by local government. (a) Not later than 60 days after the director sends notice of an application for a new marijuana establishment license, a new onsite consumption endorsement, renewal of a marijuana establishment license, renewal of an onsite consumption endorsement, license conversion, endorsement, transfer of a marijuana establishment to another person, or transfer of a marijuana establishment license to another location, a local government with jurisdiction over the location of the proposed licensed premises may protest the application by sending the director and the applicant a written protest and the reasons for the protest. If an application for a transfer of a marijuana establishment license to another location proposes to relocate a licensed establishment within the jurisdiction of a different local government, the local government with jurisdiction over the proposed location

may protest the application on the basis of taxes owed to the local government with jurisdiction over the current location of the licensed premises. The director may not accept a protest received after the 60-day period. If the protest is a conditional protest, the board will require the applicant to show, to the board's satisfaction, that the requirements of the local government have been met before the director may issue the marijuana establishment license. If the protest is not a conditional protest, the board will deny the application unless the board finds that the protest is arbitrary, capricious, and unreasonable.

(b) A local government may recommend that the board approve an application for a new marijuana establishment license, a new onsite consumption endorsement, renewal of a marijuana establishment license, renewal of an onsite consumption endorsement, license conversion, transfer of a marijuana establishment license to another person, or transfer of a marijuana establishment license to another location subject to a condition. If an application for a transfer of a marijuana establishment license to another location proposes to relocate a licensed establishment within the jurisdiction of a different local government, the local government with jurisdiction over the proposed location may recommend that the board approve the marijuana establishment license subject to a condition that is based on reasons identified by the local government with jurisdiction over the current location, of those reasons are still relevant to the proposed location. The board will impose a condition a local government recommends unless the board finds the recommended condition is arbitrary, capricious, and unreasonable. If the board imposes a condition a local government recommends, the local government shall assume responsibility for monitoring compliance with the condition unless the board provides otherwise.

(c) If a local government with jurisdiction over the location of the licensed premises determines that a marijuana establishment has violated a provision of AS 17.38, this chapter, or a condition the board has imposed on the licensee, the local government may notify the board. Unless the director finds that the local government's notice is arbitrary, capricious, and unreasonable, the director shall prepare the determination as an accusation against the licensee under AS 44.62.360 and conduct proceedings to resolve the matter as provided under 3 AAC 306.820.

(d) In this section,

(1) "local government" means each local government with jurisdiction over the licensed premises; in case of an application for a transfer of a marijuana establishment license to

another location, “local government” means the local government with jurisdiction over the proposed licensed premises;

(2) “conditional protest” means a protest by a local government based on the local government’s requirements that the applicant must meet before licensure, and that the applicant has not yet met but that the local government expects the applicant will be able to meet within a reasonable period of time.

(e) Not later than 60 days after the director sends notice of an application for a transfer of a marijuana establishment license to another location where the local government would be different, the local government with jurisdiction over the current licensed premises may protest the application upon the basis of taxes owed by the licensee to that local government by sending the director and the applicant a written protest and the reasons for the protest. The director may not accept and the board will not consider a protest received under this subsection after the 60-day period. (Eff. 2/21/2016, Register 217; am 12/28/2017, Register 224; am 2/21/2019, Register 229; am 4/11/2019, Register 230; am 5/9/2019, Register 230; am 1/22/2023, Register 245)

3 AAC 306.065. Public participation

A person may object to an application for a new marijuana establishment license, renewal of a marijuana establishment license, license conversion, transfer of a marijuana establishment license to another person, or transfer of a marijuana establishment license to another location by submitting a written statement of reasons for the objection to the board and the applicant not later than 30 days after the director has determined that the application is complete and has given written notice to the local government in accordance with 3 AAC 306.025. The objection must be sent to the applicant at the mailing address or electronic mail address provided in the notice of application and also to the board. If the board determines to conduct a public hearing under this section, an interested person may give oral testimony at the public hearing. (Eff. 2/21/2016, Register 217; am 12/28/2017, Register 224; am 2/21/2019, Register 229)

3 AAC 306.070. Hearing on public protest

3 AAC 306.075. Procedure for action on license application

(a) The board will decide whether to grant or deny an application **for a marijuana establishment license** not later than 90 days after receiving the complete application. However, the board will not grant or deny the application before the time allowed for a protest under 3 AAC 306.060, unless the local government waives its right to protest.

(b) Not later than seven days before the date set for board action on applications, the director shall post a meeting agenda listing the matters scheduled for action at that meeting. The board may review an application without additional notice to the applicant.

(c) The board will consider any written objection, protest, suggested condition, or petition, and also will consider any testimony received at a hearing on public protest held under 3 AAC 306.070 when it considers the application. The director shall retain the written objection, protest, or suggested condition or petition, and the hearing record as part of the permanent record of the board's review of an application. (Eff. 2/21/2016, Register 217; am 12/28/2017, Register 224; am 2/21/2019, Register 229; **am 1/22/2023, Register 245**)

3 AAC 306.080. Denial of license or endorsement application

(a) After review of the application, including the applicant's proposed operating plan and all relevant information, the board will deny an application for a new license or new onsite consumption endorsement if the board finds that

(1) the application is not complete as required under the applicable provisions of 3 AAC 306.020 – 3 AAC 306.055, or contains any false statement of material fact;

(2) the license or endorsement would violate any restriction in 3 AAC 306.010 or 3 AAC 306.015;

(3) the license or endorsement would violate any restriction applicable to the particular license type authorized under this chapter;

(4) the license or endorsement is prohibited under this chapter as a result of a ordinance or election conducted under AS 14.38.210, 3 AAC 306.200, or 3 AAC 306.230;

(5) the applicant's actions or the operating plan does not adequately demonstrate that the applicant will comply with applicable provisions of this chapter;

- (6) the license or endorsement would not be in the best interests of the public; or
- (7) a protest by the **local government** is not arbitrary, capricious, and

unreasonable.

(b) After review of the application and all relevant information, the board will deny an application for renewal of a marijuana establishment license if the board finds

- (1) any cause listed in (a) of this section;
- (2) that the license or endorsement has been operated in violation of a condition or restriction the board previously imposed;
- (3) that the applicant is delinquent in the payment of taxes due in whole or in part from operation of the licensed business;

(4) that a protest by the **local government** is not arbitrary, capricious, and unreasonable; or

(5) that the applicant has lost right to possession of the applicant's licensed premises.

(c) After review of the application and all relevant information, the board will deny an application for reinstatement of license due to failure to submit a timely renewal if the board finds

- (1) any cause listed in (a) or (b) of this section;
- (2) violation of any terms of an administrative hold on or seizure of marijuana or any marijuana product as described in 3 AAC 306.830;
- (3) the application was submitted later than September 30 of the given applicable year;

(4) the applicant has had an application for reinstatement granted during the five years before application submittal; or

(5) the failure to submit a timely renewal application is due to inexcusable oversight; inexcusable oversight includes failure to submit a renewal application, if the director proves that the license

(A) was sent communications by the director that an application was due but ignored the notice; or

(B) engaged in other conduct evidencing bad faith or disregard of the application requirements.

(d) After review of the application and all relevant information, the board will deny an application for transfer of license to another person if the board finds

(1) any cause listed in (a) of this section;

(2) that the transferor has not paid all debts or taxes arising from the operation of the business licensed under this chapter unless the transferor gives security for the payment of the debts or taxes satisfactory to the creditor or taxing authority;

(3) that the transfer of the license to another person would result in violation of the provisions of this chapter relating to identity of licensees and financing of licensees;

(4) that the prospective transferee does not have the qualifications of an original applicant required under this chapter; or

(5) that a protest by the **local government** is not arbitrary, capricious, and unreasonable.

3 AAC 306.625. Proficiency testing program

(a) When an accredited proficiency testing program becomes available in the state, the board may require an applicant for a marijuana testing facility license to participate successfully in a proficiency testing program not earlier than 12 months before receiving a license. The proficiency testing program must require an applicant for a marijuana testing facility license or a participating licensed marijuana testing facility to analyze test samples using the same procedures with the same number of replicate analyses, standards, testing analysts, and equipment that will be used for product testing. Successful participation is the positive identification of 80 percent of the target analytes that the marijuana testing facility reports, and

must include quantitative results when applicable. Any false positive results reported constitute an unsatisfactory score for the proficiency test.

(b) Before renewing the license of a marijuana testing facility, the board may require the facility to participate in a proficiency testing program with documentation of continued performance satisfactory to the board. The license of a marijuana testing facility may be limited, suspended, or revoked if the facility fails to participate and receive a passing score in a proficiency testing program.

(c) The scientific director employed under 3 AAC 306.630 and each testing analyst of an applicant for a marijuana testing facility license and a licensed marijuana testing facility that participated in a proficiency test shall sign a corresponding attestation statement. The scientific director shall review and evaluate each proficiency test result.

(d) An applicant for a marijuana testing facility license, and a licensed marijuana testing facility participating in the proficiency testing program, shall take and document remedial action when the applicant or the facility meets the standards of (a) of this section, but scores less than 100 percent in a proficiency test. To take and document remedial action, the marijuana testing facility's scientific director shall, at a minimum, review all samples tested and results reported after the date of the marijuana testing facility's last successful proficiency test. (b) An applicant for a marijuana testing facility license and the holder of a marijuana testing facility license shall observe good laboratory practices.

(c) The board or the board's contractor may inspect the practices, procedures, and programs adopted, followed, and maintained by the applicant or the licensed marijuana testing facility and may examine all records of the applicant or the licensed marijuana testing facility that are related to the inspection. The board may require an applicant or a licensed marijuana testing facility to have an independent third party inspect and monitor laboratory operations to assess testing competency and the marijuana testing facility's compliance with its quality program. The board may require random validation of a marijuana testing facility's execution of

each testing methodology the facility uses. (Eff. 2/21/2016, Register 217; am 3/25/2020, Register 233)

Unless the board finds that the local government's notice is arbitrary, capricious, and unreasonable, the director shall prepare the notice and supporting evidence as an accusation against the marijuana establishment under AS 44.62.360, and conduct proceedings to resolve the matter as described under 3 AAC 306.820. (b) The director, an enforcement agent, an employee of the board, or a peace officer acting in an official capacity may choose, for a reason set out in (a) of this section, whether to place an administrative hold on marijuana or a marijuana product or seize the marijuana or marijuana product. The director may change an administrative hold to a seizure. (e) The director shall immediately give the marijuana establishment at which the marijuana or marijuana product was placed on administrative hold or from which the item was seized notice of whether the action is an administrative hold or seizure and the reasons for the administrative hold or seizure. In the notice, the director shall state that the marijuana establishment may request, not later than 15 days after receiving the notice,

(1) an informal conference, before either the director or the board, if the establishment is aggrieved by an administrative hold; the director shall also state in the notice that selection of an informal conference does not affect the establishment's right to request a formal hearing from the administrative hold; or

(2) a formal hearing before the board from an administrative hold or seizure; in the notice, the director shall schedule a date and time for a formal hearing that is not later than 15

days after the establishment receives the notice, unless the establishment requests a delay.

(f) If the marijuana establishment aggrieved by an administrative hold elects an informal conference

(1) with the director, the informal conference must be held at a time and place convenient to the establishment and the director, but not later than 15 days after the establishment receives notice of the administrative hold, unless the establishment elects a later time for the conference; an informal conference with the director may be conducted telephonically; or

The hearing will be held not later than 15 days after the director's receipt of the request for a formal hearing.

(h) If the request for formal hearing is from an informal conference regarding an administrative hold, the director shall send the marijuana establishment a notice with the date and time of the formal hearing, scheduled as described in (g) of this section, unless the establishment has requested a delay. If the request for formal hearing is from an administrative hold or seizure, and the establishment did not request an informal conference, the formal hearing will be held on the date and time scheduled in the notice sent under (e)(2) of this section, unless the establishment has requested a delay. If the administrative hold or seizure occurs in connection with a summary suspension under 3 AAC 306.825, the hearing will be combined

with a hearing on the summary suspension.

(i) If an administrative hold is on marijuana plants in a licensed standard or limited marijuana cultivation facility, the order setting the administrative hold must

(1) direct the facility to continue care of the plants until the conclusion of any informal conference, any formal hearing, and any hearing under AS 44.62.330 - 44.62.630 (Administrative Procedure Act) and, if applicable, 2 AAC 64.100 - 2 AAC 64.990; and

The marijuana or marijuana product must be destroyed by burning, crushing, or mixing with other material to make the marijuana or marijuana product unusable as provided in 3 AAC 306.740.

(k) The board will not consider marijuana or a marijuana product placed on administrative hold or seized to be part of a marijuana establishment's physical inventory until

the administrative hold is lifted or the marijuana or marijuana product is removed from seizure. The director shall notify, for their information, local governments and taxing authorities with jurisdiction over a marijuana establishment subject to the administrative hold or seizure not later than 30 days after the administrative hold or seizure is put in place or lifted.
