

SUPPLEMENTAL NOTICE OF PROPOSED REGULATIONS  
REGARDING MARIJUANA AND LOCAL OPTIONS.  
MARIJUANA CONTROL BOARD

The Marijuana Control Board proposes to adopt regulations to implement the marijuana law which was voted on as Ballot Measure 2 in November, 2014. These proposed regulations relate to definitions, as well as local options for communities to “opt out” of having certain kinds of marijuana establishments.

The Marijuana Control Board proposes to adopt regulation changes in Title 3 of the Alaska Administrative Code, dealing with local option regulations and definitions relating to marijuana and marijuana establishments, including the following:

- (1) local option regulations are proposed as follows:

The regulations consist of a series of provisions establishing a local governing body’s ability, by ordinance or popular vote, to opt out of allowing marijuana establishments to operate in their jurisdiction. The proposed local option regulations are modeled on the local option statutes for liquor licensed establishments in AS 04.11, except that AS 17.38.900(4) defines “local government” as excluding villages. The proposed regulations include rules prescribing types of local options, a change of a local option, the removal of a local option, the effect on licenses of a prohibition on sale, the prohibition of importation or purchase after a local option election, the effect on licenses of a restriction on sale, licensing after a prohibition on sale except on premises operated by a municipality, the procedure for local option elections, and notice of results of a local option election.

- (2) Definitions are proposed to be adopted, including the following:

Definitions of the terms “assist”, “personal cultivation”, “adulterated food or drink product”, “edible marijuana product”, “licensed premises”, “local governing body”, “marijuana concentrate”, “marijuana product”, “marijuana plant”, and “possess”.

The purpose of this supplemental notice is to provide an additional public comment period because substantive changes were made to the proposed regulations following the close of the previous public comment period. Due to the definition contained in AS 17.38.900(4), villages are not included as a type of local government that can exercise a local option under the proposed regulations.
