## BULLETIN B99-04

**TO: All Alaska Health Care Insurers**

**RE: Alaska Small Employer Insurance Activity Report**

Our records indicate that you are licensed to transact the business of health insurance in Alaska. AS 21.56.075 requires all health care insurers to report total premiums earned in the preceding calendar year and other information that the director requires regarding health care insurance plans delivered or issued for delivery to small employers in Alaska. The information for calendar year 1998 should be submitted to the director on the attached Alaska Small Employer Health Insurance Activity Report no later than March 15, 1999.

This report will be used to determine each company's share of the assessment base for Alaska's Small Employer Health Reinsurance Association. It also will be used by the association to report to the Alaska Legislature and to the director on the effectiveness of Alaska's small employer health insurance reforms and to compare the effectiveness of Alaska's small employer reforms with other states and regions of the country.

Please complete the attached activity report and return it to the division at the address indicated on the form.

DATED: February 23, 1999.

Marianne K. Burke
