General Instructions

For Corporations to Use Checklist

Alaska does not want to receive a copy of the checklist.

Column (1) (Checklist)

Corporations may use the checklist to identify what documents the state requires. Alaska does not want a copy of this checklist.

Column (2) (Line #)

Line # refers to a standard filing number used for easy reference. This line number may change from year to year.

Column (3) (Required Filings)

Name of item or form to be filed.

Column (4) (Number of Copies)

Indicates the number of copies that each foreign or domestic corporation is required to file for each type of form.

Column (5) (Due Date)

Indicates the date on which the corporation must file the form.

Column (6) (Form Source)

This column contains one of three words: "State," "Company" or "Other." If this column contains "State," the state will make the forms available online with the filing instructions. If this column contains "Company," the corporation, or its representative (e.g., its CPA firm), is expected to provide the form based upon the appropriate state instructions. If the column says "Other" the form must be obtained from other required source.

Column (7) (Applicable Notes)

This column contains references to the Notes and Instructions that apply to each item listed on the checklist. The corporation should carefully read these notes before submitting a filing.
