AGREEMENT

This Agreement is between the Department of Commerce, Community, and Economic Development, Division of Banking and Securities (“Division”) and LVC USA Inc. (“LVC”).

On or about September 4, 2018, the Division received an application from LVC for a money transmission license under Alaska Statute (AS) 06.55.103. In its application, LVC disclosed that it was applying for an Alaska money transmission license in order to transmit fiat currency, as well as virtual currency.

LVC is aware that the Division is unable under current state law to license LVC to transmit virtual currency, yet LVC desires to obtain a money transmission license regardless of this limitation. The Division is willing to issue LVC an Alaska money transmission license for transmission of fiat currency.

On the effective date of this agreement, the Division will issue LVC’s Alaska money transmission license, limited as follows:

- a. LVC shall not use its Alaska money transmission license to transmit virtual currency;

1 b. LVC shall not state, imply, or infer that it is licensed by the Division to
2 transmit virtual currency;

3 c. Whenever and wherever LVC discloses that it holds an Alaska money
4 transmission license, it must also disclose that the license has not been issued for LVC to
5 transmit virtual currency, using the following disclosure: Please note that this license does not
6 cover the transmission of virtual currency.

7 LVC understands and agrees that its failure to comply with the terms of the limited
8 license agreement shall be deemed to be a violation of the Alaska Uniform Money Services Act
9 (AS 06.55 *et. seq.*) and may lead to formal administrative action, which may include, but not be
10 limited to, license revocation or suspension and/or civil penalties under AS 06.55.605.

11 LVC understands that this Agreement is a public document and will be posted on the
12 Division's website.
