E	4	2
M	10	3
AKLS	11	8

## NCEES News Release:

The Puerto Rican court awarded damages exceeding \$1 million in a civil case of a candidate who was found with recording and transmitting equipment during the October 2006 PE exam.

New Specifications for the Architectural Engineering PE exam will be used for the April 2010 exam.

A new 16 hour Structural PE exam will be introduced in April 2011. October 2010 will be the last administration

of the Structural I and Structural II exams.

According to NCEES records 26,193 candidates took the PE exams in October 2008 and April 2009, a 5 percent increase
