Meeting Deliverables

Information gained:

- Learned about best practices in licensing and disciplinary action from 48 other states and jurisdictions. Elected executive officials.

- Reviewed North Carolina Dental Board Supreme Court decision in an expert panel and discussed at length how it may affect regulatory boards in Alaska and specifically Architecture Boards in the US.

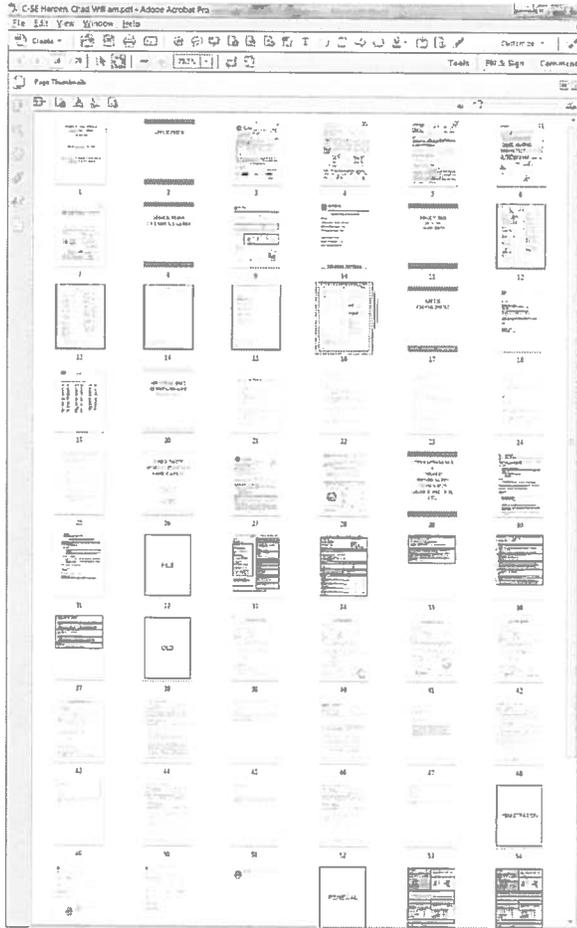

- (Staff member) attended a special Member Board Executive training and conference to discuss best practices, state reports, legislature, differences and similarities, and NCARB's role in supporting our Boards.

-(Both staff member and Board member) attended a regional meeting for Western states which discusses resolutions, best practices, state reports, and changes in each of the states of our region. Elected leaders and officials.

Action recommended:

Both staff and board member will share documentation and discussions from the summit with Board members in May to discuss further action, review, and affects on our Board.

New applicant review is colorful and organized!
