

## UPDATE ON TRANSITION FROM ARE 3.1 TO ARE 4.0

### ARE 3.1 to ARE 4.0 Cancellation Policy

ARE candidates who have not PASSED a division of the ARE (version 3.1 or earlier) and are at risk of not passing at least one division by 13 May 2008 are advised that an appointment scheduled for any date after 15 May 2008 **will be canceled beginning 15 May 2008, and the entire exam fee will be forfeited.** These candidates will be transitioned to ARE 4.0 and will be required to remit payment when they schedule a new appointment. If a candidate already has an appointment for a date after 15 May 2008, NCARB recommends that they reschedule that appointment for a date prior to 15 May to avoid any forfeiture of fees. Again, this refers ONLY to candidates who are at risk of being transitioned to ARE 4.0 in the coming months. Candidates who have passed at least one division of the ARE will remain in ARE 3.1 and can continue to schedule appointments and test after 15 May 2008 through June 2009. This announcement can be found at <http://www.ncarb.org/are/index.html>.
