(d) A person who holds a current valid license from a board of barbering, hairdressing, manicuring, or esthetics in another state or who is licensed by another state to practice hair braiding, tattooing, permanent cosmetic coloring, or body piercing is entitled to a license or endorsement under this chapter without examination or a new period of training in this state. An application must include

Each practitioner of tattooing, permanent cosmetic coloring, or body piercing who holds a workshop or demonstrates techniques at a convention or special event shall have a separate temporary shop license and a license or temporary permit under this chapter to practice tattooing, permanent cosmetic coloring, or body piercing. The board shall issue a temporary shop license upon receipt of an application from a practitioner demonstrating compliance with the regulations adopted under this section and payment of the appropriate fee; however, the temporary shop license may be summarily revoked, without refunding of the fee, if the Department of Environmental Conservation determines after an inspection that the cleanliness or sanitation conditions at the site covered by the temporary license pose a clear and immediate danger to the public health or safety. A licensee may appeal a summary revocation under this subsection to the superior court.

(c) A person holding a valid license issued under former AS 08.12 or former AS 08.28 shall be entitled upon its expiration to a license to practice under this chapter in the field of practice for which the person was originally licensed, without meeting requirements for new licensure.

A student permit to practice barbering or hairdressing is valid for two years. A student permit to practice esthetics, tattooing, permanent cosmetic coloring, or body piercing is valid for one year. A student permit may not be renewed, but, upon application, the board may issue a new permit to the same person or extend an expired permit to the date of the next scheduled examination.
