#### **6. Audit Clearance - Authorization for Staff**

**3:55 PM**

A recent policy change now requires board authorization to allow staff to clear completed audits through the utilization of approved checklists (which is how we have handled audits in the past; just without an official motion of approval). Checklists are not prepared for this meeting, but 2025 audits have begun, so we will be asking for a motion to approve staff to clear completed audits pending board approval of the checklists which will be uploaded to Onboard.
