110. Definitions
120. Short title

Sec. 43.70.020. Application for license. (a) For the privilege of engaging in a business in the state, a person shall first apply, on forms prescribed by the commissioner, and obtain a license, and pay the license fee provided for in AS 43.70.030. A license issued to a firm for a particular line of business covers all its operations in the state regardless of the number of its establishments. A license issued under this subsection must include
(1) the name and address of the licensee;
(2) the primary and secondary line of business to be conducted;
(3) the dates for which the license is issued; and
(4) the business name to be used by the licensee.
(b) [Repealed, § 10 ch 45 SLA 1988.]
(c) [Repealed, § 10 ch 45 SLA 1988.]
(d) A person engaging in a business subject to licensing provisions of a regulatory nature (for example, the requirement of posting a bond before beginning business as a collection agency) must, in addition to filing the regular application required by this section, comply with those regulatory provisions before being entitled to a license under this chapter. The department may establish that a license that is issued under this section expires at the same time as a license, certificate, permit, registration, or similar document issued under AS 08.
(e) If a person knowingly engages in a business in the state without having a current license issued under (a) of this section, the department may impose a civil fine of up to $300. In this subsection, "knowingly" has the meaning given in AS 11.81.900.
(f) A person may apply for a business license under (a) of this section covering multiple lines of business. The department shall prepare an application form that allows an applicant to list multiple lines of business.

Sec. 43.70.030. Levy and computation of license fee. (a) The fee for each business license is $50 a year, except that the fee is $25 if the business is a sole proprietorship and the sole proprietor is
(1) 65 years of age or older when the sole proprietor applies for the license or will reach 65 years of age at any time during the year for which the license is issued; or
(2) a disabled veteran.
(b) [Repealed, § 1 ch 98 SLA 1984.]
(c) The license for the privilege of taking orders through use of catalogs and by mail order offices in the state is the same as set out in this chapter for business generally.
(d) [Repealed, § 72 ch 14 SLA 1987.]
(e) A license holder may request a new business license without payment of an additional license fee
(1) at any time during the period for which the license is valid to correct an error made by the department; or
(2) within 30 days after the issuance of the license to make a change to the license.
(f) The expiration date of a license issued under (e) of this section is the same as the expiration date of the original license.

Sec. 43.70.075. License endorsement. (a) Unless a person has a business license endorsement issued under this section for each location or outlet in a location where the person offers tobacco products, electronic smoking products, or products containing nicotine for sale, a person may not sell or allow a vending machine to sell in its location or outlet cigarettes, cigars, tobacco, products containing tobacco, electronic smoking products, or products containing nicotine as a retailer at that location or outlet. Each endorsement required under this section is in addition to any other license or endorsement required by law. A person may not apply for an endorsement under this section for a location or outlet if an endorsement issued for the same location or outlet is currently suspended or revoked. An endorsement issued for a location or outlet to a person in violation of this subsection is void.
(b) The department, upon payment of a fee of $100, shall issue a business license endorsement to a person who applies for a business license under this chapter, and may renew the endorsement issued under this subsection for a fee of $100. The endorsement expires at the same time as the license to which it attaches. Upon issuance of an endorsement, the department shall also issue to the person receiving the endorsement notice of the penalties that may be imposed under this section.
(c) The department may refuse to issue an endorsement under this section if there is reasonable cause to believe that the information submitted in the application is false or misleading and is not made in good faith.

(d) If a person who holds an endorsement issued under this section, or an agent or an employee of a person who holds an endorsement issued under this section acting within the scope of the agency or employment, has been convicted of violating AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109, the department shall impose a civil penalty as set out in this subsection. However, following a hearing under (m) of this section, and based on evidence admitted at that hearing concerning questions specified in (m)(4) and (6) of this section, the department may reduce by not more than 10 days a suspension under (1) of this subsection, or by not more than 20 days a suspension under (2) of this subsection, or increase by not more than 10 days a suspension under (1) of this subsection, or by not more than 20 days a suspension under (2) of this subsection. If a hearing is not requested, or if a hearing is requested and the department determines that the evidence admitted does not support increasing or decreasing the suspension, the department shall suspend the endorsement for a period of

(1) 20 days and impose a civil penalty of $500 if the person has not been previously convicted of violating AS 11.76.100, 11.76.106, 11.76.107, 11.76.109 and is not otherwise subject to the sanctions described in (2) - (4) of this subsection;

(2) 45 days and impose a civil penalty of $2000 if, within the 24 months before the date of the department's notice under (m) of this section, the person, or an agent or employee of the person while acting within the scope of the agency or employment of the person, was convicted once of violating AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109;

(3) 90 days and impose a civil penalty of $4,000 if, within the 24 months before the date of the department's notice under (m) of this section, the person, or an agent or employee of the person while acting within the scope of the agency or employment of the person, was convicted twice of violating AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109, or a provision of this section or a regulation implementing this section adopted under AS 43.70.090; or

(4) one year and impose a civil penalty of $10,000 if, within the 24 months before the date of the department's notice under (m) of this section, the person, or an agent or employee of the person while acting within the scope of the agency or employment of the person, was convicted three or more times of violating AS 11.76.100, 11.76.106, 11.76.107, 11.76.109.

(e) If a person who receives an endorsement under this section has multiple retail locations or outlets in a location, a suspension or revocation imposed under this section applies only to the retail outlet in the location in which the violation occurs.

(f) A person who holds a license endorsement issued under this section shall post on the licensed premises a warning sign as described in this subsection. A warning sign required by this subsection must be at least 8.5 inches by 11 inches and must read: "The sale of electronic smoking products or products containing nicotine without a prescription or tobacco products to persons under age 19 is illegal." A person holding an endorsement issued under this section shall display the warning sign in a manner conspicuous to a person purchasing or consuming tobacco products, electronic smoking products, or products containing nicotine on the licensed premises. The department shall make available the warning signs required under this section to a person who holds an endorsement issued under this section or a person who requests the sign with the intention of displaying it.

(g) A person who is required to hold a business license endorsement under this section, or who is required to be licensed or agrees to be licensed under AS 43.50.010, or an agent or employee of the person, may not

(1) sell cigarettes to another person unless the cigarettes are sold in groups of at least 20 and the cigarettes are in the manufacturer's original cigarette pack or contained in a cigarette carton or box; or

(2) sell or possess cigarettes if the cigarette package

(A) differs in any respect from the requirements of 15 U.S.C. 1331 - 1341 (Cigarette Labeling and Advertising Act) for the placement of warnings or of any other information upon a package of cigarettes that is sold within the United States;

(B) is labeled "For Export Only," "U.S. Tax Exempt," "For Use Outside U.S.," or with similar wording indicating that the manufacturer did not intend that the product be sold in the United States; this subparagraph does not apply to cigarettes sold or intended to be sold as duty-free merchandise by a duty-free sales enterprise under 19 U.S.C. 1555(b); however, this subparagraph does apply to duty-free cigarettes that are brought back into the state for resale in the state;

(C) has been altered by adding, masking, or deleting wording described in (B) of this paragraph.

(h) A violation of (g) of this section is an unfair or deceptive act or practice under AS 45.50.471.

(i) The commissioner or the commissioner of revenue may seize cigarettes, electronic smoking products, or products containing nicotine that do not comply with this section. After notice and an opportunity for a hearing, the commissioner or the commissioner of revenue shall destroy cigarettes, electronic smoking products, or products containing nicotine seized under this subsection.

(j) A person who violates (g) of this section is guilty of a class B misdemeanor.

(k) If a person, or an agent or employee of the person while acting within the scope of the agency or employment of the person, violates a provision of (a) or (g) of this section, the department may suspend the person's business license endorsement or right to obtain a business license endorsement for a period of not more than

(1) 45 days; or
(2) 90 days if, within the 24 months before the date of the department's notice under (m) of this section, the person, or an agent or employee of the person while acting within the scope of the agency or employment of the person, violates a provision of (a) or (g) of this section.

(j) Notwithstanding (a) of this section, a person owning vending machines that offer tobacco products, electronic smoking products, or products containing nicotine for sale need obtain only one business license endorsement under this section even if the person has vending machines in more than one outlet or location in the state. The person who owns a vending machine that offers tobacco products, electronic smoking products, or products containing nicotine for sale and the person who owns the premises where the vending machine is located are both required to obtain a business license endorsement issued under this section. If the endorsement of the person owning the vending machine is suspended or revoked, the person may not sell cigarettes, cigars, products containing tobacco, electronic smoking products, or products containing nicotine during the period of suspension or revocation through the use of vending machines at the location or outlet where the violation occurred. During the period of suspension or revocation, the person owning that vending machine may not use that machine to sell tobacco products, electronic smoking products, or products containing nicotine at another location or outlet.

(m) The department may initiate suspension of a business license endorsement or the right to obtain a business license endorsement under this section by sending the person subject to the suspension a notice by certified mail, return receipt requested, or by delivering the notice to the person. The notice must contain information that informs the person of the grounds for suspension, the length of any suspension sought, and the person's right to administrative review. A suspension begins 30 days after receipt of notice described in this subsection unless the person delivers a timely written request for a hearing to the department in the manner provided by regulations of the department. If a hearing is requested under this subsection, an administrative law judge of the office of administrative hearings (AS 44.64.010) shall determine the issues by using the preponderance of the evidence test and shall, to the extent they do not conflict with regulations adopted under AS 44.64.060, conduct the hearing in the manner provided by regulations of the department. A hearing under this subsection is limited to the following questions:

(1) was the person holding the business license endorsement, or an agent or employee of the person while acting within the scope of the agency or employment of the person, convicted by plea or judicial finding of violating AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109;

(2) if the department does not allege a conviction of AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109, did the person, or an agent or employee of the person while acting within the scope of the agency or employment of the person, violate a provision of (a) or (g) of this section;

(3) within the 24 months before the date of the department's notice under this subsection, was the person, or an agent or employee of the person while acting within the scope of the agency or employment of the person, convicted of violating AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109 or adjudicated for violating a provision of (a) or (g) of this section;

(4) did the person holding the business license endorsement establish that the person holding the business license endorsement had adopted and enforced an education, a compliance, and a disciplinary program for agents and employees of the person as provided in (t) of this section;

(5) did the person holding the business license endorsement overcome the rebuttable presumption established in (w) of this section;

(6) within five years before the date of the violation that is the subject of the hearing, did the department establish that the person holding the business license endorsement

(A) previously violated (a) or (g) of this section;

(B) previously violated AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109 at a location or outlet in a location for which the person holds a business license endorsement, or had an agent or employee previously violate AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109; this subparagraph does not apply to a prior conviction that served to enhance a suspension period under (d)(2) - (4) of this section; or

(C) engaged at a location owned by the person in other conduct that was or is likely to result in the sale of tobacco, electronic smoking products, or products containing nicotine to a person under 19 years of age in violation of AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109.

(n) The commissioner may

(1) adopt the proposed decision of a hearing officer under this section;

(2) remand the matter for further proceedings; or

(3) reject the proposed decision, review the record, and issue a decision based on the record.

(o) After notice and a hearing, the department may revoke a business license endorsement or increase a period of suspension if the department finds that, during a period of suspension, a person continues the conduct for which the endorsement or the right to obtain an endorsement was suspended. A person whose endorsement or right to obtain an endorsement is revoked or suspended under this subsection may not apply for or obtain an endorsement under this chapter. A period of revocation or suspension imposed under this subsection may not exceed two years.

(p) If a person who holds an endorsement issued under this section violates (f) of this section, the department may impose a civil penalty not to exceed $250 for each day of the violation, but the department may not suspend or revoke a business license endorsement. The total civil penalty imposed under this subsection for each violation may not exceed $5,000.
(q) The department may adopt regulations to establish an administrative hearing process for actions taken by the department under this section. AS 44.62 (Administrative Procedure Act) does not apply to a hearing under this section.

(r) For purposes of this section, the sale of a product containing tobacco, an electronic smoking product, or a product containing nicotine by an agent or employee of a person who holds or is required to hold a business license endorsement under this section at the location or outlet in a location for which the endorsement was or was required to be issued is rebuttably presumed to have been a sale within the person's scope of agency or employment.

(s) If a person violates (a) of this section, the department may impose a civil penalty not to exceed $250 for each day of the violation. The total civil penalty imposed under this subsection for each violation may not exceed $5,000. The civil penalty described in this subsection may be imposed in addition to a suspension of a business license endorsement or the right to obtain a business license endorsement ordered by the department under (k) or (o) of this section.

(t) Based on evidence provided at the hearing under (m)(4) - (6) of this section, the department may reduce the license suspension period under (d) of this section if the person holding the business license endorsement establishes that, before the date of the violation, the person had

1. adopted and enforced a written policy against selling cigarettes, cigars, tobacco, products containing tobacco, electronic smoking products, or products containing nicotine to a person under 19 years of age in violation of AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109;
2. informed the person's agents and employees of the applicable laws and their requirements and conducted training on complying with the laws and requirements;
3. required each agent and employee of the person to sign a form stating that the agent and employee has been informed of and understands the written policy and the requirements of AS 11.76.100, 11.76.106, 11.76.107, and 11.76.109;
4. determined that the agents and employees of the person had sufficient experience and ability to comply with the written policy and requirements of AS 11.76.100, 11.76.106, 11.76.107, and 11.76.109;
5. required the agents and employees of the person to verify the age of purchasers of cigarettes, cigars, tobacco, other products containing tobacco, electronic smoking products, or products containing nicotine by means of a valid government issued photographic identification;
6. established and enforced disciplinary sanctions for noncompliance with the written policy or the requirements of AS 11.76.100, 11.76.106, 11.76.107, and 11.76.109; and
7. monitored the compliance of the agents and employees of the person with the written policy and the requirements of AS 11.76.100, 11.76.106, 11.76.107, and 11.76.109.

(u) A reduction in the period of suspension under this section may not be granted more than once in a 12-month period for a location or outlet in a location for which the person holds a business license.

(v) Notwithstanding (d) of this section, in place of a hearing under (m) of this section, the department and the person holding the business license endorsement may enter into a memorandum of agreement regarding the imposition of a suspension and civil penalties based on a violation of AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109. The memorandum of agreement must contain a provision that the person holding the business license endorsement admits or does not contest that a violation of AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109 occurred and accepts the imposition of suspension and civil penalty under this section. Based on the memorandum of agreement, the department may reduce the period of suspension. For violations involving AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109, the department may not reduce the period of suspension by more than 10 days under (d)(1) of this section or by more than 20 days under (d)(2) of this section. The department may not agree to a reduction in the period of suspension more than once in a 12-month time period for a location or outlet in a location for which the person holds a business license endorsement.

(w) For purposes of (m)(5) of this section, a conviction for a violation of AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109 by the agent or employee of the person who holds the business license endorsement is rebuttably presumed to constitute proof of the fact that the agent or employee negligently sold a cigarette, a cigar, or tobacco, a product containing tobacco, an electronic smoking product, or a product containing nicotine to a person under 19 years of age. The person who holds the business license endorsement may overcome the presumption by establishing by clear and convincing evidence that the agent or employee did not negligently sell a cigarette, a cigar, or tobacco, a product containing tobacco, an electronic smoking product, or a product containing nicotine to a person under 19 years of age in violation of AS 11.76.100, 11.76.106, 11.76.107, or 11.76.109 as alleged in the citation issued to the agent or employee. The presentation of evidence authorized by this subsection does not constitute a collateral attack on the conviction described in this subsection.

(x) Notwithstanding (d), (t), or (v) of this section, a period of suspension may not be reduced for a violation of AS 11.76.100(a)(4) or 11.76.109(a)(4).

Sec. 43.70.080. Disposal of money. All money collected by the department under this chapter shall be deposited in the general fund.

12 AAC 12.830. MOTIONS. (a) To make a motion or submit a memorandum, the aggrieved person or the department must file the motion or memorandum in writing with the hearing officer and provide a copy to the opposing party. The filing of a motion or memorandum with the hearing officer is subject to the requirements of 12 AAC 12.855, as applicable. The filing must include signed proof that a copy was provided to the opposing party, identifying the motion or memorandum provided, and setting out the date and the method by which the copy was provided. A copy provided to the opposing party may be provided by personal delivery, first class mail, or facsimile transmission. A copy provided by electronic mail shall not be considered to have been provided in accordance with this subsection.

(b) A written motion is subject to opposition and reply memoranda,

2. a reply memorandum may be filed with the hearing officer no later than three business days after the date the opposition memorandum was provided to the opposing party.

12 AAC 12.835. HEARING. (a) For purposes of the preponderance of the evidence test required under AS 43.70.075(m), the department bears the burden of proof.

(b) Unless the aggrieved person and the department agree otherwise, the department will present its case first. The aggrieved person and the department each may make an opening statement and a closing argument. A closing argument may be oral or written, and with the hearing officer's approval, may be filed or take place after the final day of testimony. Each witness shall testify under oath and with an opportunity for cross-examination. An aggrieved person who is not represented by counsel may testify in a narrative form, under oath and subject to cross-
examination. Upon request by the aggrieved person or the department, and with the hearing officer's approval, a witness, the aggrieved person, or the department may testify or otherwise participate in the hearing process telephonically. Any long distance charge for telephonic testimony or participation must be incurred by the party who made the request.

12 AAC 12.840. EVIDENCE. (a) Oral evidence may be taken only on oath or affirmation.

(b) The aggrieved person and the department may each

(1) call and examine witnesses;
(2) introduce exhibits, with the department using numbers and the aggrieved person using letters to identify exhibits;
(3) cross-examine opposing witnesses on matters relevant to the issues, even if an issue was not covered in the direct examination;
(4) impeach a witness regardless of which party first called the witness to testify;
(5) rebut any adverse evidence; and
(6) introduce evidence to rebut or support the presumption set out in AS 43.70.075(r).

(c) If the aggrieved person does not choose to testify on direct examination, the aggrieved person may be called and examined as if under cross-examination.

(d) The administrative hearing need not be conducted according to technical rules relating to evidence and witnesses. Relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of a common law or statutory rule that makes improper the admission of the evidence over objection in a civil action. Hearsay evidence may be used to supplement or explain direct evidence but is not sufficient by itself to support a finding unless it would be admissible over objection in a civil action. The rules of privilege are effective to the same extent that they are recognized in a civil action. Irrelevant and unduly repetitious evidence shall be excluded.

12 AAC 12.845. FINAL DECISION AND RECONSIDERATION. (a) For purposes of appeal to the superior court, the commissioner's decision under AS 43.70.075(n) is a final administrative order and decision on the last day when reconsideration of that decision can be ordered. The decision becomes effective 30 days after it is issued under 12 AAC 12.855(c), unless

(1) a different effective date is stated in the decision; or
(2) the aggrieved person and the department, with the approval of the commissioner, agree to a different effective date; the commissioner may delegate to the hearing officer a decision to approve a different effective date.

(b) Within no more than 20 days after the commissioner's decision is issued under 12 AAC 12.855(c), the aggrieved person or the department may file, in accordance with 12 AAC 12.830 and 12 AAC 12.855, a motion for reconsideration of the decision. The motion must set out the grounds upon which the aggrieved person or the department believes the decision to be erroneous, unlawful, or defective.

(c) Within 30 days after the commissioner's decision is issued under 12 AAC 12.855(c), the commissioner may order reconsideration on the commissioner's own motion or upon the filing of a motion in accordance with (b) of this section. Upon reconsideration, the commissioner may affirm the decision, issue a new or modified decision, or remand the matter to the hearing officer for additional proceedings. If the commissioner does not act on a motion for reconsideration within the 30-day period, the motion for reconsideration is denied.

(d) The commissioner may grant, upon a motion by the aggrieved person or the department, a stay for a particular purpose at any time before the decision becomes effective or before any appeal is filed with the superior court. A motion for a stay must set out the reasons that a stay is sought. The commissioner will grant a stay only for good cause shown.

(e) Any filing after issuance of the hearing officer's proposed decision shall be made with the hearing officer. The hearing officer shall forward those filings to the commissioner.

12 AAC 12.850. CONTACTS WITH COMMISSIONER AND HEARING OFFICER. An aggrieved person, the department, or a person acting on behalf of the aggrieved person or department may contact the commissioner or hearing officer concerning a matter that is the subject of a pending or in-progress administrative hearing only through the procedures set out in 12 AAC 12.800 - 12 AAC 12.855. The commissioner will not, and hearing officer may not, make a communication without both parties present concerning a matter that is the subject of a pending or in-progress administrative hearing to which the aggrieved person and the department are a party.
12 AAC 12.855. TIME PERIODS AND METHODS FOR FILING. (a) If a document must be filed on or before a specified date under a provision of 12 AAC 12.800 - 12 AAC 12.855, the document may be filed by personal delivery, certified mail, or facsimile transmission. If the document is filed by
   (1) mail, the date of filing is the date when the department receives the document; or
   (2) personal delivery or facsimile transmission, the document will not be considered timely filed unless the department receives the document before the time the department closes for regular business on the specified date.
(b) If a date on or before which a document must be filed under 12 AAC 12.800 - 12 AAC 12.855 is a Saturday, Sunday, or state holiday, the document must be filed on or before the next regular business day.
(c) For purposes of calculating a time period under AS 43.70.075 and 12 AAC 12.800 - 12 AAC 12.855, the date when a notice of a department action is issued to an aggrieved person is the date that the department personally delivers the notice, sends it by certified mail, or transmits it by facsimile transmission, whichever occurs first. An aggrieved person represented by an attorney will be presumed to have been issued the decision if the decision is issued to the attorney by one of the means in this subsection.
   (d) A document may not be filed by electronic mail or by any other electronic means except facsimile transmission.

(b) [Repealed, Sec. 4 ch 34 SLA 1992.]
(c) Except as provided in (f) – (i) of this section, the department shall establish fee levels under (a) of this section so that the total amount of fees collected for an occupation approximately equals the actual regulatory costs for the occupation. The department shall annually review each fee level to determine whether the regulatory costs of each occupation are approximately equal to fee collections related to that occupation. If the review indicates that an occupation’s fee collections and regulatory costs are not approximately equal, the department shall calculate fee adjustments and adopt regulations under (a) of this section to implement the adjustments. In January of each year, the department shall report on all fee levels and revisions for the previous year under this subsection to the office of management and budget. If a board regulates an occupation covered by this chapter, the department shall consider the board’s recommendations concerning the occupation’s fee levels and regulatory costs before revising fee schedules to comply with this subsection. In this subsection, “regulatory costs” means costs of the department that are attributable to regulation of an occupation plus

(e) [Repealed, Sec. 28 ch 90 SLA 1991.]
(f) Notwithstanding (c) of this section, the department shall establish fee levels under (a) of this section so that the total amount of fees collected by the State Board of Registration for Architects, Engineers, and Land Surveyors approximately equals the total regulatory costs of the department and the board for all occupations regulated by the board. The department shall set the fee levels for the issuance and renewal of a certificate of registration issued under AS 08.48.211 so that the fee levels are the same for all occupations regulated by the board.
(g) Notwithstanding (c) of this section, the department shall establish fee levels under (a) of this section so that the total amount of fees collected by the department for all occupations regulated under AS 08.11 approximately equals the total regulatory costs of the department for all occupations regulated by the department under AS 08.11. For purposes of this subsection, the regulatory costs of the Department of Environmental Conservation and the Department of Environmental Protection have been calculated.
Conservation for the occupations regulated by the board include the cost of inspections under AS 08.13.210(b), the cost of developing and adopting regulations under AS 44.46.020 for barbershop, hairdressing, manicuring, esthetics, body piercing, ear piercing, and tattooing and permanent cosmetic coloring establishments, and the cost to the Department of Environmental Conservation of enforcing those regulations except for the enforcement costs relating to ear piercing establishments. (i) Notwithstanding (c) of this section, the department shall establish fee levels under (a) of this section so that the total amount of fees collected by the Department of Commerce, Community, and Economic Development for specialty contractors, home inspectors, and associate home inspectors approximately equals the total regulatory costs of the department for those three registration categories. The department shall set the fee levels for the issuance and renewal of a certificate of registration issued under AS 08.18 so that the fee levels are the same for all three of these registration categories and so that the fee level for a home inspector with a joint registration is not different from the fee level for a home inspector who does not have a joint registration. In this subsection, “joint registration” has the meaning given in AS 08.18.171.

(1) issue an order directing the person to stop the act or practice; however, reasonable notice of and an opportunity for a hearing must first be given to the person, except that the commissioner may issue a temporary order before a hearing is held; a temporary order remains in effect until a final order affirming, modifying, or reversing the temporary order is issued or until 15 days after the person receives the notice and has not requested a hearing within 15 days after receiving the notice; the office of administrative hearings (AS 44.64.010) shall conduct the hearing and shall issue a proposed decision within 10 days after the hearing; the commissioner shall issue a final order within five days after the proposed decision is issued;

If these records are prepared or maintained by the department in an electronic data base, the records may be supplied by providing the requesting agency with a copy of the electronic record and a statement certifying its contents. A requesting agency receiving information under this section may use it only for child support purposes authorized under law.

Sec. 08.01.090. Applicability of the Administrative Procedure Act. The Administrative Procedure Act (AS 44.62) applies to regulations adopted and proceedings held under this chapter, except those under AS 08.01.087(b) and actions taken under AS 08.68.333(c).

In addition to renewal fees required for reinstatement of the lapsed license, the department may impose a delayed renewal penalty, established by regulation, that shall be paid before a license that has been lapsed for more than 60 days may be renewed. The department may adopt a delayed renewal penalty only with the concurrence of the appropriate board.

Upon its deposit with the court, the citation may be disposed of only by trial in the court or other official action taken by the magistrate, judge, or prosecutor. 12 AAC 02.520. EXCEPTIONS TO COVERAGE. Except as provided in this section, the master errors and omissions insurance policy may not exclude coverage for claims brought against the insured licensee arising out of a wrongful act by the licensee when performing a professional service for which a real estate license is required. The policy may limit or exclude coverage for claims brought against a licensee that arise as follows:

(1) out of claims or lawsuits made or brought by any insured person against any other insured person within the same firm or from compensation disputes between licensees;

(2) out of loss assumed under a contract or an agreement, except for liability the insured would have had in the absence of the agreements;

(3) from a criminal, dishonest, fraudulent, or intentional act or omission; this exclusion does not apply to an insured person who did not personally participate in committing the act or omission and who, upon having knowledge of the act or omission, reported it to the Real Estate Commission, or appropriate law enforcement authorities;

(4) from unlawful discrimination committed by or for the insured person;

(5) from fines or penalties imposed by a tribunal or other governmental agency;

(6) from bodily injury, personal injury, advertising injury, or property damage;

12 AAC 02.530. STANDARDS FOR EQUIVALENT COVERAGE. An insurer issuing equivalent coverage under AS 08.88.172(c)(2) shall hold a certificate of authority issued under AS 21.09. All activities contemplated under AS 08.88.172 must be covered. The insurance must meet the minimum coverage standards of 12 AAC 02.510, except that

(1) a policy with a higher deductible amount or self-insured retention will qualify as equivalent coverage for purposes of AS 08.88.172(c)(2) if the insured licensee provides the Alaska Real Estate Commission with an affidavit certifying that the insured licensee has the financial resources to pay the higher deductible amount or self-insured retention; and

(2) a broker employing other real estate licensees may comply with the requirements of 12 AAC 02.510(a)(1) and (2) by obtaining insurance with coverage of a minimum of $200,000 per wrongful act and $1,000,000 aggregate, if all licensees associated with the broker are covered.

Authority: AS 08.88.172

12 AAC 02.540. NOTIFICATION REQUIRED FOR CANCELLATION. If equivalent insurance coverage obtained by a licensee under AS 08.88.172(c)(2) is to lapse or not be renewed, the insurer shall notify the Real Estate Commission of the intent to lapse or not to renew a minimum of 30 days before the expiration date of the term. It is the responsibility of the employing broker or licensee, as applicable, to instruct the insurer to provide the notice required by this section to the Real Estate Commission.

Authority: AS 08.88.172

12 AAC 02.550. MAXIMUM AMOUNT OF PREMIUM. The maximum amount of premium to be charged a licensee annually under the master errors and omissions insurance policy is $300.

Authority: AS 08.88.172

12 AAC 02.560. METHOD OF ADJUSTMENT. Every five years after the initial procurement of the master errors and omissions insurance policy, the department may adjust the amount of coverage under 12 AAC 02.510(a) and the maximum amount of the premium under 12 AAC 02.550 to reflect the change in the consumer price index for all urban consumers in the Anchorage metropolitan area using the standards set out in this section. The department will not make an adjustment if the department finds the adjustment will significantly reduce the number
of insurers willing to bid on a contract to offer the master errors and omissions insurance policy. An adjustment in the limits of liability under 12 AAC 02.510(a) must be an increment of no less than $25,000. An adjustment in the amount of the premium must be in an increment of no less than $25. The department will give notice of the adjustments under this section by posting the amounts on its Internet Website.
