Sec. 08.04.422. Conditions of practice privileges, out-of-state permits, and out-of-state exemptions. An individual with a practice privilege who engages in the practice of public accounting in the state under the practice privilege, a legal entity with a permit or exemption under AS 08.04.421 who engages in the practice of public accounting in this state under the permit or exemption, and a legal entity that hires an individual with a practice privilege shall

1. consent to the personal and subject matter jurisdiction and disciplinary authority of the board;
2. agree to comply with this chapter, including the regulations adopted by the board;
3. agree that the individual or legal entity will stop offering to engage or engaging in the practice of public accounting, whether individually or on behalf of a legal entity, if the license from the state of the individual's or legal entity's principal place of business becomes invalid; and
4. consent to the appointment of the state board that issued the individual's license as the individual's or legal entity's agent for service of process in a court action or in another proceeding against the individual or legal entity that arises out of a transaction or an operation connected with or incidental to the individual's or legal entity's engagement in the practice of public accounting.

Sec. 08.04.423. Competency requirement after licensing. If, at any time after receiving a license, a licensee
decides to perform attest functions, the licensee shall meet the competency requirements established by the board by regulation.

Sec. 08.04.425. Continuing education. (a) The board shall by regulation prescribe requirements for continuing education for individuals with licenses under this chapter. In adopting these regulations, the board may
   (1) use and rely upon guidelines and pronouncements with respect to continuing education issued by recognized educational and professional associations in the field; and
   (2) prescribe content, duration, and organization of courses or programs that will satisfy the continuing education requirements.
   (b) Each application for renewal of a license to practice as a certified public accountant by an individual who has held a license as a certified public accountant for two years or more shall be accompanied or supported by documents or other evidence indicating satisfaction of the continuing education requirements prescribed by the board during the two years immediately preceding the application.
   (c) Failure by an applicant for renewal of a license to furnish the evidence required under (b) of this section constitutes grounds for revocation, suspension, or refusal to renew the license under AS 08.04.450 unless the board determines that failure to have been due to reasonable cause or excusable neglect. However, the board may renew a license despite failure to furnish evidence of satisfaction of the continuing education requirements established under (a) of this section if the applicant agrees to follow a particular program or schedule of continuing education prescribed by the board.
   (d) In adopting regulations under (a) of this section, or in issuing individual orders under (c) of this section, the board
       (1) shall consider
           (A) the accessibility of applicants to the continuing education courses or programs that it may require; and
           (B) any impediments to interstate practice of public accounting that may result from differences in continuing education requirements prescribed by other states; and
       (2) may relax or suspend the continuing education requirements
           (A) for applicants who certify that they do not intend to engage in the practice of public accounting; or
           (B) in instances of individual hardship.

Sec. 08.04.426. Quality review. (a) The board may require as a condition for renewal of a license or a permit that the applicant for the renewal undergo a quality review conducted as required by the board by regulation.
   (b) The quality review under (a) of this section must include verification that the reviewing individual meets the competency requirements set out in the professional standards established by the board for the services. In this subsection, “reviewing individual” means the individual who is responsible for supervising and signing off on or authorizing another individual to sign off on attest functions performed by the applicant.
   (c) The board shall adopt the regulations under (a) of this section in a reasonable time before the regulations are scheduled to become effective.
   (d) The regulations adopted under (a) of this section may require that
       (1) an applicant demonstrate that the applicant has undergone a quality review that is a satisfactory equivalent to the quality review under (a) of this section;
       (2) the quality reviews be subject to supervision by an oversight body established or approved by the board;
       (3) the quality reviews be operated and the documents be maintained in a manner that is designed to preserve confidentiality; and
       (4) the board or another person, except for the oversight body authorized by (2) of this subsection, may not access the documents furnished or generated in the course of the quality review.
   (e) An oversight body required by (d)(2) of this section shall
       (1) periodically report to the board on the effectiveness of the quality review program it is supervising; and
       (2) provide the board with a list of the applicants who have participated in a quality review program that is satisfactory to the board.

Sec. 08.04.430. Expiration and renewal. [Repealed, Sec. 49 ch 94 SLA 1987.]

Sec. 08.04.440. Effect of failure to obtain license or permit. Failure of an individual, partnership, limited liability company, corporation, or other legal entity to apply for a required license or permit or to pay a required fee within (1) three years from the expiration date of the license or permit last obtained or renewed, or (2) three years from the date the person was granted a license or permit as a public accountant valid under AS 08.04.661 deprives the individual, partnership, limited liability company, corporation, or other legal entity of the right to a license or permit or renewal of a license or permit unless the board determines that the failure is excusable. In case of excusable failure, the fee for a license or permit or renewal of a license or permit under this section may not exceed three times one year's portion of the fee that would have otherwise been required for the license, permit, or renewal.

Sec. 08.04.450. Revocation or suspension of license, practice privilege, permit, or out-of-state exemption. (a) In addition to its powers under AS 08.01.075, the board may revoke, suspend, or refuse to renew a license, practice privilege, permit, or out-of-state exemption, or may censure a holder of a license, practice privilege, permit, or out-of-

(7) cancellation, revocation, suspension, or refusal to renew authority to practice as a certified public accountant or public accountant in any other state for any cause other than failure to pay a required fee;
(8) suspension or revocation of the right to practice before any state or federal agency;
(9) failure to satisfy the continuing education requirements prescribed by the board under AS 08.04.425, except as conditioned, relaxed, or suspended by the board under AS 08.04.425(c) and (d);
(10) failure to satisfactorily complete a quality review requirement under AS 08.04.426; or
(11) committing an act in another state for which the holder of the license, practice privilege, permit, or out-of-state exemption would be subject to discipline in this or the other state.

(b) The board shall investigate a complaint made by the board of accountancy, or other regulatory body for the practice of accounting, of another state.

Sec. 08.04.490. Reinstatement.
