12 AAC 02.400. EXAMINATION REVIEW. (a) The division will follow the examination review procedures established in this section unless the public or private organization that prepares and owns the examination has procedures for examination review that conflict with the procedures in this section. When there is a conflict, the division will follow the procedures of the public or private organization that prepares and owns the examination.
(b) An applicant who wishes to review a failed examination shall submit a written request, and the applicable examination review fee specified in this chapter, to the division within 30 days after the notice of examination results was mailed to the applicant.

(c) An examination review will be conducted in the presence of an appropriate board member, division staff, or the division’s designee at a time and location determined by the division. An examination review will not be conducted within 30 days of the next examination an applicant is scheduled to take.

(d) Only an applicant who has failed an examination may participate in the examination review and the applicant may review only his or her own examination.

(e) An applicant may use the same reference materials during an examination review that were allowed during the examination itself, but the applicant may not use other materials or take notes or make copies of any kind. All materials brought to an examination review are subject to inspection by the appropriate board member or division staff.

(f) An applicant may challenge questions on the examination by submitting the challenge in writing during the time allowed to conduct the examination review under (h) of this section. The written challenge to an examination question must include

(1) the applicant’s name;

If the division, licensing board, or public or private organization administering the examination sustains a challenge to an examination question, the department will give credit to the applicant for that question.

(h) To conduct the examination review, the division will allow the applicant challenging a question under (f) of this section one half of the length of time that was allowed for the taking of the examination being reviewed.

2. out of loss assumed under a contract or an agreement, except for liability the insured would have had in the absence of the agreements;

12 AAC 02.530. STANDARDS FOR EQUIVALENT COVERAGE. An insurer issuing equivalent coverage under AS 08.88.172(c)(2) shall hold a certificate of authority issued under AS 21.09. All activities contemplated under AS 08.88.172 must be covered. The insurance must meet the minimum coverage standards of 12 AAC 02.510(a)(1) – (3), 12 AAC 02.510(b), and 12 AAC 02.510(c)(1) and (5), except that

1. a policy with a higher deductible amount or self-insured retention will qualify as equivalent coverage for purposes of AS 08.88.172(c)(2) if, when applying to obtain or renew the license, the insured licensee provides the Real Estate Commission with
   (A) an affidavit certifying that the insured licensee has the financial resources in set-aside funds to pay the higher deductible amount or self-insured retention; and
   (B) a certificate of insurance from the insured licensee’s insurer; and
2. a broker employing other real estate licensees may comply with the requirements of 12 AAC 02.510(a)(1) and (2) by obtaining insurance with coverage of a minimum of $300,000 per wrongful act and $1,000,000 aggregate, if all licensees associated with the broker are covered.
12 AAC 02.540. NOTIFICATION REQUIRED FOR CANCELLATION. If equivalent insurance coverage obtained by a licensee under AS 08.88.172(c)(2) is to lapse or not be renewed, the insurer shall notify the Real Estate Commission of the intent to lapse or not to renew a minimum of 30 days before the expiration date of the term. It is the responsibility of the broker or licensee, as applicable, to instruct the insurer to provide the notice required by this section to the Real Estate Commission with named licensees covered.

12 AAC 02.550. MAXIMUM AMOUNT OF PREMIUM. The maximum amount of premium to be charged a licensee annually under the master errors and omissions insurance policy may not exceed $2,500.

12 AAC 02.560. METHOD OF ADJUSTMENT. Every three years after the initial procurement of the master errors and omissions insurance policy, the department may adjust the amount of coverage under 12 AAC 02.510(a). The department will not make an adjustment if the department finds the adjustment will significantly reduce the number of insurers willing to bid on a contract to offer the master errors and omissions insurance policy. An adjustment in the limits of liability under 12 AAC 02.510(a) must be an increment of no less than $25,000. The department will give notice of the adjustments under this section by posting the amounts on its Internet website. An adjustment under this section does not take effect until the renewal or the issuance of a new master errors and omissions insurance policy.
