Proposed Regulations - FAQ

October 2020

1. What is the purpose of the proposed regulations? What will this regulation do?

12 AAC 75.150. Professional development for, master guide-outfitter, registered guide-outfitter, and transporter licensees. The proposed regulations will add requirements for the professional development of all license holders for this licensing program. To increase cooperation between the license holders and the various agencies that are directly connected to the services the license holders provide. The increased involvement may reduce investigations and costs as the license holders will be more engaged and up-to-date on federal, state, and municipal laws they are bound to follow for the privilege of maintaining their license. The proposed requirements may be accomplished via telephonically with no travel required.

2. What are the costs to comply with the proposed regulations?

None known at this time.

3. When will the regulations be effective?

After the public comment deadline, comments received are compiled and given to the Board for consideration. The Board may adopt the regulation as written/publicly noticed, may amend and adopt them, choose to take no action, or may withdraw the proposed regulations in part or in its whole. After Board action, the adopted regulations goes to Department of Law (DOL) for final review/approval. DOL either approves or disapproves regulations. Once approved by DOL, it goes to the Lt. Governor for filing. Regulation takes effect on the 30th day after they have been filed by the Lt. Governor.
