RE: Unique Verification Code

The Alaska Department of Fish and Game requires a Unique Verification Code (UVC) for non-resident draw hunt applications that require a guide-client contract. Guides may obtain a unique verification code (UVC) by contacting our office: cindy.hansen@alaska.gov

Guides must be registered in the guide use area for 2015 and 2016, the year of the drawing and the year of the hunt.

UVCs are confidential and Guides are encouraged to register Hunters in the drawings to protect themselves from violating Alaska Statute 08.54.720 UNLAWFUL ACTS.
