

Renewals

Registered Nurse and Advanced Practice Registered Nurse

Hints for a successful renewal

1. Renew online.
2. If you renew by paper application, make sure your application is complete including signature, date, and all boxes appropriately checked. Be sure to include the appropriate fees.

APRNs only

1. If you are renewing online, your RN license MUST be renewed first.
2. All APRN's must submit a copy of a current national certification that includes start and end dates at time of renewal.
3. If you hold a current DEA registration number in any jurisdiction:
 - a. You are required to submit proof of two hours of education that must cover pain management AND opioid use AND addiction completed between 12/1/2018-2/28/2021. The certificates must include: course name, hours earned, date completed, your name, and accreditation. This can be uploaded online OR emailed to Boardofnursing@alaska.gov
 - b. If the title doesn't specify pain management AND opioid use AND addiction you must provide a course description showing that the topics are covered.
 - c. If you need additional uploads for your documents email Boardofnursing@alaska.gov and additional uploads can be added to your myalaska account.
 - d. If you have a DEA number you must be registered with the prescription drug monitoring program (PDMP) www.pdmp.alaska.gov
