Case No. 2013-002245

VOLUNTARY SURRENDER OF PHARMACIST'S LICENSE

I, Michael Fisk, voluntarily surrender my Alaska Pharmacist's License No. 1813, which was first issued to me on October 2, 2008, and expired on June 30, 2014.

I am surrendering my license at this time, with the understanding that the Alaska Department of Commerce, Community & Economic Development, Division of Corporations, Business and Professional Licensing (Division), is conducting an audit of my compliance with the continuing competency requirements for renewal of my license.

To renew my pharmacist's license for the period beginning July 1, 2012 and ending on June 30, 2014 (2012-2014 licensing period), AS 08.80.165 requires me to certify my compliance with the requirements of 12 AAC 52.320 and 12 AAC 52.350. These requirements include the satisfactory completion of 30 hours in approved continuing competency programs between July 1, 2010 and June 30, 2012 (the concluding licensing period).

I certified my compliance with the continuing competency requirements by my affirmative response to the Affidavit of Compliance with Continuing Education Requirements contained in the Board of Pharmacy's License Renewal application for the 2012-2014 licensing period, and my pharmacist's license was renewed based upon that response.

Subsequent to the renewal of my Alaska pharmacist's license, I was notified my renewal application was among the group randomly selected for audit to monitor compliance with the continuing competency requirements in accordance with 12 AAC 52.320 and 12 AAC 52.350. As part of the audit procedure and in accordance with 12 AAC 52.320 and 12 AAC 350, I was instructed to submit documentation to verify completion of the claimed continuing competency activities.

At this time I am unable to substantiate my claim of completion of the required 30 hours of approved continuing education, and have chosen to surrender my pharmacist's license in lieu of revocation, suspension, or imposition of disciplinary sanctions against my license.

I am no longer in Alaska, and do not intend to work as a pharmacist in the state of Alaska in the future.

1 Further, I completed 27 hours of approved continuing education during the concluding
licensing period. Division of Government Business
and Professional Licensing

2
3 Further, I assert my belief I completed at least three additional hours of continuing
education during the concluding licensing period. However, I now admit and agree I cannot
4 document my completion of any additional hours of continuing education beyond the 27 hours
as discussed above.

5 Further, I admit and agree I am required to document completion of all the continuing
6 education activities I claimed as complete on my 2012-14 license renewal application upon
request of the Board and/or Division, in accordance with 12 AAC 52.350.

7 Further, I understand my failure to evidence compliance with the continuing competency
8 requirements may need to be addressed by the Board should I request reinstatement of my
pharmacist's license or issuance of a new license to me.

9 Further, I understand the Division has filed an accusation against me and my pharmacist's
10 license No. 1813 as part of case No. 2013-002245 regarding the matter of the unresolved audit
of my continuing education. I understand the Division will voluntarily dismiss this accusation
11 upon adoption of this surrender agreement by the Board. I understand and agree should I apply
to reinstate my license or have a new one issued to me, the Division is not prejudiced against
12 filing another accusation, statement of issues or other document it is empowered to by the
Alaska Administrative Procedure Act, AS 44.62.330 *et seq.*, regarding the matter of the
13 unresolved audit of my continuing education.

14 Further, I understand as a result of this surrender, I cannot act as a pharmacist in the state of
Alaska and will not be able to do so until and unless the Alaska Board of Pharmacy approves
15 the reinstatement of this license or issuance of a new license to me. I also understand before I
may again be licensed as a pharmacist, I will need to demonstrate to the Board of Pharmacy I
16 possess the skills and knowledge to work as a pharmacist. I understand I may be required to
reapply and meet the initial licensing requirements under AS 08.80 and 12 AAC 52. In the
17 event I apply and that application is denied by the Board of Pharmacy, I understand I will have
the right to a hearing pursuant to the Alaska Administrative Procedure Act.

18
19 I understand this action shall take effect immediately upon its adoption by the board and is
a public record of the Board and the state of Alaska. The state may provide a copy of this
20 agreement to any person, professional licensing board, federal, state or local government
agency, or other entity making a relevant inquiry. This license action will be reported to the
21 National Association of Boards of Pharmacy (NABP), the U.S. Department of Health and
Human Services/Healthcare Integrity and Protection Data Bank (HIPDB) and any other entity
22 as may be required by law.
