ADMINISTRATION OF BOARD AFFAIRS

Section
70. Duties of the board
75. Power to order examinations
80. Board regulations
90. Administrative duties of the department
100. Applicability of the Administrative Procedure Act

Sec. 08.86.070. Duties of the board. The board shall
(1) establish objective examination requirements for persons who apply for a license to practice psychology in the state;
(2) examine, or cause to be examined, eligible license applicants;
(3) approve the issuance of licenses to qualified applicants;
(4) adopt regulations establishing standards for the practice of psychology;
(5) impose disciplinary sanctions as authorized by this chapter;
(6) adopt regulations requiring proof of continued competency for license renewal;
(7) review, when requested by the department, the quality and availability of psychological services in the state;
(8) compile information for submission to the department on the practice of psychology by psychologists and psychological associates in the state.

Sec. 08.86.075. Power to order examinations. The board may order a licensed psychologist or licensed psychological associate to submit to a reasonable physical or mental examination if the board has credible evidence
sufficient to conclude that the psychologist’s or psychological associate’s physical or mental capacity to practice safely is at issue.

**Sec. 08.86.080. Board regulations.** The board shall adopt regulations to carry out the purposes of this chapter.

**Sec. 08.86.090. Administrative duties of the department.** The department shall furnish administrative services for the board.

**Sec. 08.86.100. Applicability of the Administrative Procedure Act.** AS 44.62 (Administrative Procedure Act) applies to regulations and proceedings under this chapter.

**ARTICLE 3. LICENSING OF PSYCHOLOGISTS**

**Section**
130. Licensing requirements
135. Temporary license
140. Fees
150. License by credentials

**Sec. 08.86.120. Entitlement to licensure.** [Repealed, Sec. 9 ch 63 SLA 1986.]

**Sec. 08.86.125. Malpractice insurance.** [Repealed, Sec. 40 ch 177 SLA 1978.]

**Sec. 08.86.130. Licensing requirements.** (a) The board shall issue a psychologist license to a person who

1. holds an earned doctorate degree, from an academic institution whose program of graduate study for a doctorate degree in psychology meets the criteria established by the board by regulation, in
   (A) clinical psychology;
   (B) counseling psychology; or
   (C) education in a field of specialization considered equivalent by the board;
2. has not engaged in dishonorable conduct related to the practice of counseling or psychometry;
3. has one year of post doctoral supervised experience approved by the board; and
4. takes and passes the objective examination developed or approved by the board.

(b) The board may not deny recognition as an accredited or approved academic institution to an educational institution solely because its program has not been accredited by a professional organization of psychologists.

**Sec. 08.86.135. Temporary license.** The board may issue a temporary license to a person who meets the requirements of AS 08.86.130(a)(1) and (2). A temporary license issued under this section is valid only for the time period identified in the person's plan for the purpose of obtaining supervised experience to meet the requirements of AS 08.86.130(a)(3).

**Sec. 08.86.140. Fees.** (a) The department shall set fees under AS 08.01.065 for the following:

1. application;
2. examination;
3. credential review;
4. initial license;
5. license renewal.

(b) [Repealed, Sec. 49 ch 94 SLA 1987.]

**Sec. 08.86.150. License by credentials.** A person who is licensed or certified as a psychologist by a licensing authority other than the state is entitled to be licensed in the state without examination if the person applies on the proper application form, submits proof of continued competence as required by regulation of the board, pays the credential review fee, and the person

1. holds a doctoral degree with primary emphasis on psychology that satisfies the requirements of AS 08.86.130 and the examination and qualification requirements for the person’s out-of-state license or certificate were essentially similar to or higher than the examination and qualification requirements for licensure under this chapter;
2. is a diplomate in good standing of the American Board of Professional Psychology; or
3. is certified or registered with a credentialing organization in psychology approved by the board in regulation and with requirements essentially similar to or higher than the requirements for licensure under this chapter.
ARTICLE 4.
LICENSING OF PSYCHOLOGICAL ASSOCIATES

Section
160. Licensing requirements
162. Qualifications for associates’ examination
164. Scope of practice by associate
166. Temporary license

Sec. 08.86.160. Licensing requirements. (a) The board shall issue a psychological associate license to a person who
(1) holds an earned master’s degree from an academic institution whose program of graduate study for a master’s degree in psychology meets the criteria established by the board by regulation in
(A) clinical psychology;
(B) counseling psychology; or
(C) education in a field of specialization considered equivalent by the board;
(2) has not engaged in dishonorable conduct related to the practice of counseling or psychometry;
(3) has two years of post master’s supervised experience approved by the board; and
(4) takes and passes the objective examination developed or approved by the board for psychological associates.
(b) The board may not deny recognition as an accredited or approved academic institution to an educational institution solely because its program has not been accredited by a professional organization of psychologists.

Sec. 08.86.162. Qualifications for associates’ examination. A person is entitled to take a psychological associate examination if the board finds that the person
(1) has not engaged in dishonorable conduct related to the practice of counseling or psychometry;
(2) holds a master’s degree with primary emphasis on psychology from an academic institution whose program of graduate study for a master’s degree in psychology meets the criteria established by the board by regulation, with the equivalent of at least 48 semester credit hours of graduate course work directly related to a specialized area of psychology in which licensure is requested, including a practicum; and
(3) has the recommendation of an immediate supervisor if a licensed psychologist, or two licensed psychologists who hold doctoral degrees.

Sec. 08.86.164. Scope of practice by associate. (a) A psychological associate shall be licensed to provide psychological services within the nature and extent of the psychological associate’s training and experience as defined in regulation.
(b) [Repealed, Sec. 11 ch 51 SLA 1996.]
(c) [Repealed, Sec. 11 ch 51 SLA 1996.]
(d) [Repealed, Sec. 11 ch 51 SLA 1996.]
(e) [Repealed, Sec. 11 ch 51 SLA 1996.]

Sec. 08.86.166. Temporary license. The board may issue a temporary license to a person who meets the requirements of AS 08.86.160(a)(1), (2), and (4). A temporary license issued under this section is valid only for the time period identified in the person’s plan for the purpose of obtaining supervised experience to meet the requirement of AS 08.86.160(a)(3).

ARTICLE 5.
PROHIBITIONS AND PENALTIES

Section
170. Use of title
180. Practice of psychology
190. Name under which person practices
200. Confidentiality of communication
204. Grounds for imposition of disciplinary sanctions
210. Penalty
220. Limits or conditions on license; discipline

Sec. 08.86.170. Use of title. (a) Unless licensed under this chapter, a person may not use the title “psychologist” or a title, designation, or device indicating or tending to indicate that the person is a psychologist or practices psychology.
Sec. 08.86.180. Practice of psychology. (a) Unless licensed under this chapter, a person may not practice psychology or hold out publicly as a psychologist or as practicing psychology. A person holds out as a psychologist by using a title or description of services incorporating the words “psychology,” “psychological,” “psychologist,” “psychometry,” “psychotherapy,” “psychotherapeutic,” “psychotherapist,” “psychoanalysis,” or “psychoanalyst” or when holding out publicly to be trained, experienced, or qualified to render services in the field of psychology.

(b) This section does not apply to

(1) a person employed as a school psychologist, if the school district maintains appropriate supervision of psychological activities and professional conduct, and if the person is performing the psychological activities as part of the duties for which the person was employed, is performing the activities solely within the facilities of the school district in which the person is employed or under the supervision of the school district, and does not render or offer to render psychological services to the public for compensation in addition to the salary the person receives from the school district;

(2) an officer or employee of the United States government practicing psychology while in the discharge of the officer’s or employee’s official duties;

(3) a student, intern, or resident in psychology pursuing a course of study approved by the board as qualifying training and experience for a psychologist, if that person’s activities constitute a part of that person’s supervised course of study and that person is designated by titles such as “psychology intern” or “psychology trainee”;

(4) a qualified member of another profession, in doing work of a psychological nature consistent with that person’s training and consistent with the code of ethics of that person’s profession, if the person does not hold out to the public by a title or description of services incorporating the words “psychology,” “psychological,” “psychologist,” “psychometry,” “psychotherapy,” “psychotherapeutic,” “psychotherapist,” “psychoanalysis,” or “psychoanalyst” or represent to be trained, experienced, or qualified to render services in the field of psychology; or

(5) a physician engaged in the normal practice of medicine for which the physician is licensed under AS 08.64.

(c) Nothing in this chapter authorizes a person licensed as a psychologist to engage in the practice of medicine, as defined by the laws of the state.

(d) Nothing in this section prohibits a licensed clinical social worker, a licensed marital and family therapist, or a licensed professional counselor from holding out to the public by a title or description of services incorporating the words “psychoanalysis,” “psychoanalyst,” “psychotherapy,” “psychotherapist,” or “psychotherapeutic.”

Sec. 08.86.185. Practice of counseling and psychometrics. [Repealed, Sec. 24 ch 58 SLA 1980. For current

Sec. 08.86.190. Name under which person practices. (a) A licensed psychologist may practice psychology only under that person’s own name.

(b) A licensed psychological associate may practice counseling or psychometry only under that person’s own name.

Sec. 08.86.200. Confidentiality of communication. (a) A psychologist or psychological associate may not reveal to another person a communication made to the psychologist or psychological associate by a client about a matter concerning which the client has employed the psychologist or psychological associate in a professional capacity. This section does not apply to

(1) a case conference with other mental health professionals or with physicians and surgeons;

(2) a case in which the client in writing authorized the psychologist or psychological associate to reveal a communication;

(3) a case where an immediate threat of serious physical harm to an identifiable victim is communicated to a psychologist or psychological associate by a client;

(4) disclosures of confidential communications required under Rule 504, Alaska Rules of Evidence; or

(5) proceedings conducted by the board or the department where the disclosure of confidential communications is necessary to defend against charges that the psychologist or psychological associate has violated provisions of this chapter; information obtained by the board or department under this paragraph is confidential and is not a public record for purposes of AS 40.25.110 – 40.25.140.

(b) Notwithstanding (a) of this section, a psychologist or psychological associate shall report to the appropriate authority incidents of child abuse or neglect as required by AS 47.17.020, incidents of abuse of a vulnerable adult as required by AS 47.24.010, and incidents of abuse of disabled persons disclosed to the psychologist or psychological associate by a client. In this subsection “disabled person” means a person who has a physical or mental disability or a physical or mental impairment, as defined in AS 18.80.300.

Sec. 08.86.204. Grounds for imposition of disciplinary sanctions. (a) After a hearing, the board may impose a disciplinary sanction on a person licensed under this chapter when the board finds that the licensee

(1) secured a license through deceit, fraud, or intentional misrepresentation;
(2) engaged in deceit, fraud, or intentional misrepresentation in the course of providing professional services or engaging in professional activities;
(3) advertised professional services in a false or misleading manner;
(4) has been convicted of a felony or other crime that affects the licensee’s ability to continue to practice competently and safely;
(5) intentionally or negligently engaged in or permitted the performance of patient care by persons under the licensee’s supervision that does not conform to minimum professional standards regardless of whether actual injury to the patient occurred;
(6) failed to comply with this chapter, with a regulation adopted under this chapter, or with an order of the board;
(7) continued to practice after becoming unfit due to
   (A) professional incompetence;
   (B) failure to keep informed of current professional practices;
   (C) addiction or severe dependence on alcohol or other drugs which impairs the ability to practice safely;
   (D) physical or mental disability or a combination of physical and mental disabilities;
(8) engaged in sexual misconduct with a patient during the course of therapy, either within or outside the treatment setting, or within two years after therapy or counseling with the patient has terminated; in this paragraph, "sexual misconduct" includes sexual contact, as defined in regulations adopted under this chapter, or attempted sexual contact, regardless of the patient's or former patient's consent or lack of consent.

(b) The board may summarily suspend the license of a licensee who refuses to submit to a physical or mental examination under AS 08.86.075. A person whose license is suspended under this subsection is entitled to a hearing conducted by the office of administrative hearings (AS 44.64.010) within seven days after the effective date of the order. If, after a hearing, the board upholds the suspension, the licensee may appeal the suspension to a court of competent jurisdiction.

(c) The board may not impose disciplinary sanctions on a licensee for the evaluation, diagnosis, or treatment of a person through audio, video, or data communications when physically separated from the person if
   (1) the licensee or another licensed health care provider is available to provide follow-up care;
   (2) the licensee requests that the person consent to sending a copy of all records of the encounter to a primary care provider if the licensee is not the person's primary care provider and, if the person consents, the licensee sends the records to the person's primary care provider; and
   (3) the licensee meets the requirements established by the board in regulation.

(d) The board shall adopt regulations restricting the evaluation, diagnosis, supervision, and treatment of a person as authorized under (c) of this section by establishing standards of care, including standards for training, confidentiality, supervision, practice, and related issues.

Sec. 08.86.206. Disciplinary sanctions. [Repealed, Sec. 49 ch 94 SLA 1987. For current law, see AS 08.01.075.]

Sec. 08.86.210. Penalty. A person who violates this chapter is guilty of a class B misdemeanor.

Sec. 08.86.220. Limits or conditions on license; discipline. (a) Upon a finding that by reason of demonstrated problems of competence, experience, education, or health the authority to practice psychology or as a psychological associate under this chapter should be limited or conditioned or the practitioner disciplined, the board may reprimand, censure, place on probation, restrict practice by time, specialty, procedure or facility, require additional education or training, or revoke or suspend a license.

(b) AS 44.62 (Administrative Procedure Act) applies to any action taken by the board under this section.

ARTICLE 6.

(1) the applicable fees specified in 12 AAC 02.330;
(2) official transcripts from all undergraduate and graduate schools attended by the applicant;
(3) repealed 5/18/85;
(4) a complete vita from the date of high school graduation to the time of application, including dates and places of residency;
(5) repealed 5/18/85;
(6) five letters of recommendation; three from licensed psychologists, members of the American Psychological Association, or diplomates of the American Board of Professional Psychology; and two from other persons not related to the applicant;
(b) An application for initial licensure by examination as a psychological associate must be submitted on a form provided by the department with
(1) the applicable fees specified in 12 AAC 02.330;
(2) official transcripts from all undergraduate and graduate schools attended by the applicant;
(3) a complete vita from the date of high school graduation to the time of application, including dates and places of residency;
(4) proof of a practicum from an accredited school with an approved program in the area in which licensure is requested; and
(5) repealed 3/27/98;
(6) the recommendations required by AS 08.86.162(3).
(c) Before the board will issue a psychological associate license by examination, the applicant shall submit proof of
(1) completion of the supervised experience required under AS 08.86.160(a)(3), as defined in 12 AAC 60.070(c); and
(2) passing the required examination in 12 AAC 60.110(g).
(d) Before the board will issue a psychology license by examination, the applicant shall submit proof of
(1) completion of the supervised experience required in AS 08.86.130(a)(3), as described in 12 AAC 60.070(b); and

   (4) evidence of passing the examination required in AS 08.86.160(a)(4).
(c) A temporary license to practice as a psychological associate under supervision is valid for two years from
   the date of issue. The board will extend the temporary license if the applicant meets the requirements of (b) of this
   section and demonstrates to the satisfaction of the board that an extension is necessary to complete the supervised
   experience required in AS 08.86.160(a)(3).
(d) A holder of a temporary license under this section may practice only under supervision as defined in
   12 AAC 60.070 and 12 AAC 60.080.
(e) An applicant may not begin post-doctoral degree or post-master degree supervised experience in the state
   until the board approves the applicant's plan for obtaining supervised experience and issues a temporary license
   under this section.
(f) An individual practicing under a temporary license will be identified on the license as a holder of a
   temporary license to practice under approved supervision.
(g) The board will not issue a temporary license to an applicant for a license by credentials.
(h) A temporary license is no longer valid on the date that supervised experience is terminated by the applicant
   or the supervisor.
(i) A temporary license will not be issued to an applicant receiving supervised experience in another
   jurisdiction.
(j) A temporary license to practice as a psychologist under supervision is valid for two years from the date of
   issuance. The board will only extend the temporary license if the applicant meets the requirements of (a) of this
   section and demonstrates to the satisfaction of the board that an extension is necessary to complete the supervised
   experience required under AS 08.86.130(a)(3).

12 AAC 60.030. APPLICATION FOR LICENSURE BY CREDENTIALS. (a) An applicant for licensure
   by credentials as a psychologist will be licensed without examination if the applicant
   (1) if applying under AS 08.86.150(1),
      (A) complies with the application requirements of 12 AAC 60.010(a)(1), (2), (4), and (6); and
      (B) submits verification of
         (i) a current license or certificate from another licensing jurisdiction issued based upon examination
             and qualification requirements essentially similar to or higher than those in this state at the time of application for
             the license from this state;
         (ii) the applicant's score on the Examination for Professional Practice in Psychology (EPPP) created
             by the Association of State and Provincial Psychology Boards (ASPPB), unless the applicant was initially licensed
             in a licensing jurisdiction before that licensing jurisdiction required an applicant to sit and pass the EPPP
             examination; and
         (iii) the present status of the applicant's license or certificate from all jurisdictions where the applicant
             holds or has ever held a license or certificate to practice psychology; and
   (2) if applying under AS 08.86.150(2),
      (A) complies with the application requirements of 12 AAC 60.010(a)(1), (4), and (6); and
      (B) submits verification that the applicant is a diplomate in good standing of the American Board of
          Professional Psychology.
   (b) The verifications required by (a)(1)(B) and (a)(2)(B) of this section must be sent directly to the department
       from the licensing jurisdiction that issued the applicant’s license or certificate, the American Board of Professional
       Psychology, or the Association of State and Provincial Psychology Boards.
   (c) An applicant is responsible for assuring that the department receives all application documents. An
       application will not be reviewed until all documents required by this section have been received.
12 AAC 60.032. TEMPORARY MILITARY COURTESY LICENSE. (a) The board will issue a temporary military courtesy license to an active duty military member or spouse of an active duty military member of the armed forces of the United States to practice as a psychologist or psychological associate who meets the requirements of AS 08.01.063 and this section not later than 30 days after the board receives a completed application.
   (b) An applicant for a temporary military courtesy license under this section
       (1) must submit an application on a form provided by the department;
       (2) must pay the temporary license application fee and fee for a temporary license set out under 12 AAC 02.105;
       (3) must submit a copy of
           (A) the applicant’s current active duty military orders showing assignment to a duty station in this state; or
           (B) if the applicant is the spouse of an active duty military member, the applicant’s spouse’s current active duty military orders showing assignment to a duty station in this state;
       (4) must submit documentation showing the applicant is currently licensed as a psychologist or psychological associate in another licensing jurisdiction and the applicant’s license in the other jurisdiction is not suspended, revoked, or otherwise restricted except for failure to apply for renewal or failure to obtain the required continuing education requirements; and
       (5) may not have been convicted of a crime that affects the applicant's ability to practice as a psychologist or psychological associate competently and safely, as determined by the board.
   (c) A temporary military courtesy license issued to an active duty military member or spouse of an active duty military member under this section will be issued for a period of 180 days and may be renewed for one additional 180-day period, at the discretion of the board.
   (d) While practicing under a temporary military courtesy license issued under this section, the holder of the temporary military courtesy license must comply with the standards of practice set out in AS 08.86 and this chapter.
   (e) The board may refuse to issue a temporary military courtesy license for the same reasons that it may deny, suspend, or revoke a license under AS 08.86.204.

Authority: AS 08.01.062 AS 08.86.070 AS 08.86.080 AS 08.01.063

12 AAC 60.035. COURTESY LICENSE. (a) A courtesy license authorizes the licensee to practice psychology for no more than 30 days in a 12-month period. An applicant will only be issued one courtesy license in that person’s lifetime. A courtesy licensee shall submit a report to the board each month during the period of courtesy licensure indicating the number of days practiced under the courtesy license during the month. A courtesy license does not authorize the licensee to conduct a general psychology practice or to perform services outside the scope of practice of psychology that is specified on the courtesy license.

(b) The board or its designee will issue a one-time courtesy license to an applicant who meets the requirements of this section.

(c) An applicant for a courtesy license must
   (1) submit a completed courtesy license application on a form provided by the department, postmarked no later than 30 days before the date that the applicant is to practice psychology in the state; a completed courtesy license application must include all of the fees and supporting documentation required in this subsection;
   (2) pay the application and licensing fees for a courtesy license established in 12 AAC 02.330;
   (3) not be a resident of this state;
   (4) provide verification of a current license in good standing to practice psychology independently in another jurisdiction where the licensing requirements are at least equivalent to those in this state for the scope of practice specified in the application; to meet the requirements of this paragraph, the verification must be sent directly to the department from the licensing jurisdiction and the license must cover the scope of the practice requested for the courtesy license in this state;
   (5) provide verification of having passed the EPPP examination, with a score that meets the requirements in 12 AAC 60.140, unless the applicant was initially licensed in a licensing jurisdiction before that licensing jurisdiction required an applicant to sit and pass the EPPP examination; the verification must be sent directly to the department from the
       (A) jurisdiction where the applicant passed the EPPP examination; or
       (B) Association of State and Provincial Psychology Boards (ASPPB);
   (6) identify the dates for which the courtesy license is requested;
   (7) identify the scope of practice intended for the courtesy license;
   (8) attest that the applicant has not
(A) previously been issued a courtesy license under this section;
(B) had a psychologist license suspended or revoked in any jurisdiction; and
(C) been denied a license to practice psychology in this state within the past four years.

(d) The holder of a courtesy license must meet the ethics and standards identified in 12 AAC 60.185 and is subject to the discipline under AS 08.01.075 and AS 08.86.204.

(e) The board or its designee may waive the 30-day application deadline in (c) of this section if the board or its designee finds that the applicant has shown reasonable cause or excusable neglect.

12 AAC 60.036. EMERGENCY COURTESY LICENSE. (a) In an urgent situation, the board may issue an emergency courtesy license to practice psychology to an applicant who has a license in good standing to practice psychology independently in another jurisdiction with licensing requirements at least equivalent to those of this state, and who meets the requirements of this section.

(b) The board may limit the scope of a license issued under this section, as appropriate to respond to the urgent situation.

(c) An applicant for an emergency courtesy license under this section must submit to the department a completed application on a form provided by the department. A complete application includes the applicable application and licensing fees established in 12 AAC 02.330.

(d) An emergency courtesy license issued under this section is valid for the period specified by the board and may not exceed 120 consecutive days. An emergency courtesy license may be renewed for one additional period specified by the board, not to exceed 120 consecutive days.

(e) The holder of an emergency courtesy license shall comply with reporting requirements by completing a form provided by the board.

(f) While practicing under an emergency courtesy license issued under this section, the holder of the license must comply with the standards of practice set out in AS 08.86 and this chapter and is subject to discipline for actions taken or omitted while practicing under the emergency courtesy license.

(g) The board may refuse to issue an emergency courtesy license for the same reasons that it may deny, suspend, or revoke a license under AS 08.01.075 and AS 08.86.204.

(h) In this section, "urgent situation" means a health crisis that requires increased availability of psychologists.

12 AAC 60.040. EXAMINATION APPLICATIONS REVIEWED BY THE BOARD. (a) An examination application received by the department will be reviewed by the board before the applicant will be approved to sit for the examination. An application will not be reviewed until all documents required by 12 AAC 60.010 have been received by the department. It is the responsibility of the applicant to assure that all documents are received by the department.

12 AAC 60.050. APPLICATION MADE UNDER OATH; PENALTY. An application must be signed and the truth of its contents sworn to by the applicant. False or misleading statements or information, whether made knowingly or not, are grounds for denial of approval to take the examination or revocation of a license granted on the basis of the false or misleading statement.

Authority: AS 08.86.080

12 AAC 60.055. DENIAL OF APPLICATION. The board will, in its discretion, deny an application for licensure by credentials, or deny approval to take a licensing examination, if the applicant has

1) been found guilty of incompetence by another state or jurisdiction;
2) violated the ethical standards for providers of psychological services as established by another state agency or jurisdiction;
3) misrepresented his or her qualifications to the board in any way; or
4) been found to be practicing psychological services without a license.

Authority: AS 08.86.070 AS 08.86.080

12 AAC 60.060. APPLICATION NOT RETURNED. An application becomes the property of the board upon receipt by the department, and neither the application nor its supporting documents will be returned to the applicant. However, if an applicant fails to qualify for licensure, the license fee submitted with the application, if any, will be refunded.
12 AAC 60.065. REVIEW OF APPLICATION FOR COURTESY LICENSE. (a) An applicant who meets the requirements on the appropriate checklist established in this section has demonstrated the necessary qualifications for the courtesy license applied for and will be approved by the board’s designee for issuance of that license. An applicant who does not meet the requirements on the appropriate checklist in this section will not be issued a courtesy license unless the board further reviews the application and determines that the applicant meets the requirements in AS 08.86 and 12 AAC 60 for the courtesy license applied for.

(b) The form titled “Psychology Courtesy License Checksheet – 12 AAC 60.035,” dated November 2016, is adopted by reference. This form is established by the board for use by an employee of the department in the completion of processing of an application for a courtesy license to practice psychology in this state.

(b) The one year’s experience required for a psychologist applicant by AS 08.86.130(a)(3) is satisfied by one year of post-doctoral experience in a field of psychology the same as or similar to that in which the applicant acquired academic training under the supervision of a licensed psychologist or a diplomate of the American Board of Professional Psychology.

(c) The two years’ experience required for a psychological associate applicant by AS 08.86.160(a)(3), is satisfied by two years' supervised experience in the specialty area that is the same or similar to the field of psychology in which the applicant received education and training.

Authority: AS 08.86.070 AS 08.86.080 AS 08.86.130

12 AAC 60.080. CRITERIA FOR EVALUATION OF EXPERIENCE. (a) In order to be credited with the experience required by 12 AAC 60.070, a psychologist or psychological associate applicant must meet the following minimum requirements:

(1) the applicant’s supervised experience must have been in the same or a similar field of psychology as was the applicant’s education and training;

(2) a year of experience must consist of not less than 1,500 clock hours completed in not less than 10 months and not more than 24 consecutive calendar months; during weeks the applicant works, the applicant must obtain at least 20 hours, but not more than 40 hours, of supervised experience per week;

(3) during

(A) the first year of post master’s supervised experience, contact between the supervisor and the applicant must be for a minimum of two hours per week of face-to-face supervision, one hour of which must be individual face-to-face supervision, dealing with direct services provided by the applicant; an applicant must also obtain two additional hours per week in learning activities, as defined in 12 AAC 60.990(a)(10), covering case conferences, ethics, co-therapy, and other content assigned by the supervisor; and

(B) the second year of post master’s and the year of post doctoral supervised experience, contact between the supervisor and applicant must be for a minimum of one hour per week of individual face-to-face supervision dealing with direct services provided by the applicant;

(4) at least 80 percent of the supervised experience must be with a licensed psychologist, a diplomate of the American Board of Professional Psychology, or a person holding a doctorate degree in psychology and who is considered by the board qualified to supervise; 20 percent of the supervised experience may be with a psychiatrist licensed under AS 08.64 or a similar law of another state, a psychological associate licensed under AS 08.86 or a
similar law of another state, a clinical social worker licensed under AS 08.95 or a similar law of another state, a
marriage and family therapist licensed under AS 08.63 or a similar law of another state, or a professional counselor
licensed under AS 08.29 or a similar law of another state, who is qualified and competent in the specialty area that is
the same or similar to the field of psychology in which the applicant received education and training;
(5) repealed 5/18/85;
(6) repealed 3/27/98;
(7) repealed 3/27/98;
(8) for a psychologist applicant, post doctoral experience may be earned in any post doctoral training program
approved by the American Psychological Association or other program determined by the board to be equivalent;
(9) of the supervised experience must be for activities constituting direct services, and at least 50 percent of
the supervised experience must be face-to-face contact with patients.
(b) Unsupervised independent private practice, including unsupervised practicums, clerkships, and externships,
will not be considered as acceptable supervised professional experience.
(c) For good cause shown to the board’s satisfaction, the board will accept an alternate plan of supervision that
varies from the requirement of (a)(3) of this section, if the applicant
(1) submits the alternate plan in writing to the board on a form provided by the department; and
(2) receives approval of the alternate plan by the board before beginning the alternate supervised experience.
(d) A supervisor must verify in writing to the board the applicant’s supervised experience, setting out the nature
and extent of the supervision. A supervisor shall comprehensively document, on a form provided by the department,
that during the applicant’s supervised experience, the applicant was instructed in issues and concerns related to
ethical behavior and that the applicant adequately understands and applies the ethical principles and guidelines.
(e) For good cause shown to the board’s satisfaction, the board will grant an extension up to 12 months for an
applicant to complete the supervised experience required under 12 AAC 60.070.

12 AAC 60.083. ADDITIONAL CRITERIA FOR DOCTORATE DEGREE. (a) In addition to the criteria
established in 12 AAC 60.082, programs of graduate study for a doctorate degree in psychology must require
(1) the equivalent of three full-time academic years of graduate study, two years of which are through the
degree-granting institution, and one year of which is in full-time residence at the degree-granting institution;
(2) courses covering the following program components:
(A) methodology and history, including course work in each of the following four areas of study:
   (i) history and systems;
   (ii) psychology measurement;
   (iii) research methodology;
   (iv) techniques of data analysis (statistics);
(B) foundation in psychology, including course work in each of the following five areas of study:
   (i) biological bases of behavior, including physiological psychology, comparative psychology, neuropsychology, and psychopharmacology;
   (ii) cognitive-affective bases of behavior, including learning, memory, perception, cognition, thinking, motivation, and emotion;
   (iii) social bases of behavior, including social psychology, cultural, ethnic, sex roles, and organizational behavior;
   (iv) individual differences, including personality theory, human development, individual differences, abnormal psychology, psychology of women, psychology of persons with disabilities, and psychology of the minority experience; and
   (v) knowledge and use of ethics;
(3) a supervised practicum or laboratory experience appropriate to the area of practice in psychology; and
(4) a predoctoral internship; a predoctoral internship must include the following components:
   (A) the internship must be designed to provide a planned, programmed sequence of training experiences,
   the primary focus of which is to assure breadth and quality of training;
(B) the internship setting must have
   (i) a clearly designated psychologist who is responsible for the integrity and quality of the training
       program and who is licensed or certified by a state or provincial board of psychology examiners;
   (ii) two or more psychologists available as supervisors;
   (iii) a written statement or brochure describing the goals and content of the internship, stating clear
       expectations and quality of an intern’s work, and made available to prospective interns;
(C) supervision must be provided by the person who is responsible for the cases being supervised; at least
    80 percent of the supervision must be provided by a psychologist;
(D) at least 25 percent of the intern’s time (minimum 375 hours) must be spent in direct client contact
    providing assessment and intervention services;
   (E) the internship must include at least
      (i) two hours per week of regularly scheduled, formal, face-to-face individual supervision with the
          specific intent of dealing with the direct psychological services rendered by the intern;
      (ii) two hours of other learning activities, such as case conferences, seminars on applied issues, co-
          therapy with a staff person, including discussion and group supervision;
   (F) supervision and training relating to ethics must be an ongoing aspect of the internship program;
   (G) an intern must use a title such as “intern”, “resident”, “fellow”, or other designation of trainee status;
   (H) the internship experience must consist of at least 1,500 hours and must be completed within 24 months.

(b) Repealed 7/29/09.
(c) Programs accredited by the American Psychological Association Education and Credentialing Committee
    are recognized as meeting the requirements of this section.
(d) If an applicant obtains a doctorate degree without completing courses in all the areas of study described in
    (a)(2) of this section, and if the deficiency consists of no more than two courses, the applicant may make up the
    course deficiency by passing courses in each relevant area of study from an institution that meets the requirements
    of 12 AAC 60.082. Each course taken to make up a course deficiency must be for three semester hours or four
    quarter hours of credit. For each course taken to make up a course deficiency, the applicant must submit to the
    department an official transcript from the institution showing the name of the course, the grade that the applicant
    received, and the number of semester or quarter hours of credit for each class.

(c) For a licensing period that begins on or after July 1, 2013, nonacademic continuing education programs provided by sponsoring organizations approved by the American Bar Association are approved if those programs
(1) contribute directly to the professional competency of a person licensed to practice as a psychologist or a psychological associate; and
(2) are directly related to the concepts of psychological principles, ethics, or practices that are elements of practicing psychology within the meaning given in AS 08.86.230.
(d) For a licensing period that begins on or after July 1, 2013, a psychologist or psychological associate may obtain one hour of continuing education credit for physically attending two hours of a regularly scheduled meeting of the board. The individual obtaining the continuing education credit must verify attendance at the board meeting by signing in upon arrival and signing out upon departure. The individual obtaining continuing education credit will be given a certificate of attendance signed by the licensing examiner whom the department employs to carry out AS 08.86 and who is in attendance at the meeting, and by one board member who is in attendance at the meeting. In any given licensing period, a psychologist or psychological associate may claim a maximum of two continuing education credit hours for attendance as described under this subsection.
(e) For a licensing period that begins on or after July 1, 2013, a psychologist or psychological associate may obtain continuing education credit by means of live interactive nonacademic continuing education programs presented over the Internet by sponsoring organizations that are approved as described in this section, if attendance is verified.

12 AAC 60.310. INDIVIDUAL STUDY. (a) The number of continuing education credits awarded for completion of a formal correspondence program, noninteractive electronic media program, or other individual study program that requires registration and provides evidence of satisfactory completion must meet the criteria as set out in 12 AAC 60.300(b) or (c).
(b) Credit awarded under this section may not exceed one half of the total hours required in any licensing renewal period.
(c) For a licensing period that begins on or after July 1, 2007, the continuing education hours claimed by an applicant for renewal or reinstatement under this section that are obtained from a college or university must be obtained from a graduate level course.
(d) For a licensing period that begins on or after July 1, 2007, the continuing education hours claimed by an applicant for renewal or reinstatement under this section that are not obtained from a college or university must meet the requirements under 12 AAC 60.300(b).

Authority: AS 08.86.070

12 AAC 60.320. INSTRUCTOR OR DISCUSSION LEADER. (a) One hour of continuing education credit will be awarded for each hour completed as an instructor or discussion leader of educational programs meeting the requirements of 12 AAC 60.250—12 AAC 60.310. Credit will be awarded only for the initial course of instruction of the subject matter, unless there have been substantially new developments in the subject since the prior presentation.
(b) Credit awarded under this section may not exceed one-third of the total hours required for a license renewal and may not be claimed for the same license renewal in which credit is claimed under 12 AAC 60.330.

Authority: AS 08.86.070

12 AAC 60.330. PUBLICATIONS AND PRESENTATIONS. (a) Twenty credit hours of continuing education will be awarded for each
1(1) authorship of a publication in a professional psychology journal, if the publication relates directly to the concepts of psychological principles, ethics, or practices, and is published or accepted for publication during the two year reporting period immediately preceding the license renewal;
(2) oral or poster presentation of a written paper at a meeting of the American Psychological Association, a technical meeting of a state psychology society, or meeting of a professional psychology-oriented organization, if the presentation relates directly to the concepts of psychological principles, ethics, or practices, and the presentation occurred during the two-year reporting period immediately preceding the license renewal; or
(3) authorship of a professional psychology book or monograph published or accepted for publication during the two year reporting period immediately preceding the license renewal.
(b) Credit awarded under this section may not exceed one-half of the total hours required for a license renewal and may not be claimed for the same license renewal in which credit is claimed under 12 AAC 60.320.

Authority: AS 08.86.070

12 AAC 60.340. REINSTATEMENT. (a) The license of any licensee which is not renewed by reason of failure to comply with the continuing education requirements of 12 AAC 60.250—12 AAC 60.350, may be reinstated after submission to the board of proof of the completion of all continuing education credit hours required.
(b) A licensee unable to obtain the required continuing education hours for license renewal, due to reasonable cause or excusable neglect, must request exemption status in writing to the board with a statement explaining the reasonable cause or excusable neglect. The board will, in its discretion, prescribe an alternative method of compliance with the continuing education requirements as the board considers appropriate to the individual situation.

Authority: AS 08.86.070(6)

12 AAC 60.350. REPORT OF CONTINUING EDUCATION. (a) An applicant for renewal of a license to practice psychology shall submit, on a form provided by the department, a sworn statement of the continuing education in which the applicant participated. At a minimum the statement must indicate the following, as applicable:
1(1) the sponsoring organization;
(2) the location of the course or correspondent;
(3) the title or description of course or both;
(4) the principal instructor;
(5) the dates of attendance or period of correspondence;
(6) the titles, issues, and dates of publications or presentations; and
(7) the number of continuing education hours claimed.
(b) Falsification of any written evidence submitted to the board under this section is unprofessional conduct and constitutes grounds for censure, reprimand, or license revocation or suspension.
(c) If an applicant does not submit, on or before the renewal date, the information required in (a) of this section, the applicant’s license to practice psychology lapses.

TELEPSYCHOLOGY PRACTICE.

Section
400. Scope of telepsychology practice
405. Eligibility to practice telepsychology
410. Providing technology assisted distance professional services
415. Informed consent

12 AAC 60.400. SCOPE OF TELEPSYCHOLOGY PRACTICE. (a) Services offered by licensees by electronic means who are physically separate from the recipient of the services fall within the jurisdiction of the board.
(b) The standards of traditional face-to-face services described in AS 08.86 and 12 AAC 60 apply to telepsychology or technology-assisted distance professional services.
(c) The practice of technology-assisted distance professional services does not include functions or practices that are not within the training required for licensure under this chapter in accordance with AS 08.86.164 and 12 AAC 60.180.
(d) The scope, eligibility, and standards of telepsychology practice established under 12 AAC 60.400 - 12 AAC 60.415 do not supersede the functions, practices, and definitions relating to “appropriate supervision” and “supervised experience” as described elsewhere in AS 08.86 and this chapter.

12 AAC 60.405. ELIGIBILITY TO PRACTICE TELEPSYCHOLOGY. To be eligible to practice telepsychology with clients physically present in this state, a psychologist or psychological associate must meet the requirements under AS 08.01.085 and
(1) be licensed under AS 08.86.130 as a licensed psychologist or under AS 08.86.160 as a licensed psychological associate; and
(2) complete general competency training in the practice of telepsychology, totaling a minimum of four hours.

12 AAC 60.410. TECHNOLOGY ASSISTED DISTANCE PROFESSIONAL SERVICES. The provision of professional services in this state by a person licensed under AS 08.86 through digital, telephonic, or electronic means, regardless of the location of the client, constitutes the practice of psychology in this state. Licensees are required to comply with all statutes, regulations, and rules of the state where the client is physically located.

12 AAC 60.415. INFORMED CONSENT. Licensees shall obtain informed consent of the recipient before providing distance professional services. To be effective, informed consent must be, understandable by the recipient, discuss the benefits and risks of entering into distance professional services, and address the use of telephone, online synchronous provision of psychological services, electronic billing, text, and email contact with a recipient.
