## Tattoo Trainee Quarterly Report Form

A trainer must submit a report on each trainee under the trainer's supervision, on a form provided by the department, no later than the 15th day after the calendar quarter. The report must include, the exact number of hours of theoretical instruction and exact number and type of practical operations completed by the trainee during the previous quarter. The quarterly report must maintain continuity from month-to-month from the date the training begins to the date of termination or completion of the course of training regardless of attendance by the trainee.
