CHIROPRACTOR LOCUM TENENS PERMIT APPLICATION

In accordance with AS 08.20.100(a), a person may not practice chiropractic or use chiropractic core methodology in the State of Alaska without a license. Please be advised licensure in another state does not automatically qualify an applicant for an Alaska license. All Chiropractic applicants are required to take and pass the state chiropractic examination before licensure.

NOTE: Please read the application, statutes, regulations, and all instructions carefully. It is your responsibility to be aware of licensing requirements and examination deadlines, and to provide all necessary documentation. The Board will not consider your application until your application file is complete.

INFORMATION ABOUT LOCUM TENENS PERMITS:

A locum tenens permit may only be issued to a chiropractor for the purpose of substituting for an Alaska-licensed chiropractor practicing in the state. The permit is valid for 60 days and may be extended at the board's discretion.

APPLICATION INSTRUCTIONS:

All applicants must complete the following before they will be considered for a locum tenens permit:

1. Fees payable to the State of Alaska as follows:
 - \$250 Application Fee (Nonrefundable)
 - \$250 Locum Tenens Permit Fee
 - \$200 State Chiropractic Examination Fee
2. Complete notarized application, including the sworn statement and "Authorization for Release of Records" form.
3. Notarized sworn statement by the Alaska licensed chiropractic physician for whom the applicant will substitute, including the dates of the substitute practice and the date that the Alaska licensed chiropractic physician will resume practice.
4. Pass the Alaska State Chiropractic examination.
5. A complete criminal history record issued within the past 90 days by the Alaska State Department of Public Safety sent directly to the Division of Corporations, business and Professional Licensing; and an equivalent report from all states or jurisdictions where the applicant holds or has ever held a chiropractic license sent directly to the Division of Corporations, business and Professional Licensing (see additional information on page 2).

FOR APPLICANTS QUALIFYING UNDER OPTION 'A' (similar to licensure by examination)

In addition to 1 – 5 above the following must be submitted before an applicant will be considered for a locum tenens permit under this option:

1. Certified transcripts from a college of liberal arts or sciences verifying at least two academic years of study sent directly to the Division of Corporations, Business and Professional Licensing by the college.

The board will accept in lieu of a liberal arts education, verification of active licensed practice of chiropractic for three of the four years preceding the date of application.
2. Certified transcripts showing degree granted from a school or college of chiropractic that is accredited by or a candidate for accreditation by the Council on Chiropractic Education sent directly to the Division of Corporations, Business and Professional Licensing by the college.
3. Official sealed copy of the National Board of Chiropractic Examiners (NBCE) scores indicating passage of Parts I, II, III, IV, and physiotherapy examinations (with a minimum score of 375), sent directly to the Division of Corporations, Business and Professional Licensing by NBCE.

An applicant who has been in the active practice of chiropractic for the past five continuous years may substitute passage of the Special Purposes Examination of Chiropractic (SPEC) for the Part III examination.

4. Verification of all licenses ever held in any other state or jurisdiction, sent directly to the Division of Corporations, Business and Professional Licensing by the issuing state or licensing agency.

All applicants will also be subject to a check of the national licensee database maintained by the Federation of Chiropractic Licensing Boards (FCLB) to verify any action(s) that may have been reported by other licensing agencies.

FOR APPLICANTS QUALIFYING UNDER OPTION 'B' (similar to licensure by credentials)

In addition to 1 – 5 above the following must be submitted before an applicant will be considered for a locum tenens permit under this option:

1. Verification of license in good standing to practice chiropractic in another jurisdiction for the five years preceding the date of application, sent directly to the Division of Corporations, Business, and Professional Licensing by the issuing state or licensing agency.
2. Verification of all licenses ever held in any other state or jurisdiction, sent directly to the Division of Corporations, Business and Professional Licensing, by the issuing state or licensing agency.

All applicants will also be subject to a check of the national licensee database maintained by the Federation of Chiropractic Licensing Boards (FCLB) to verify any action(s) that may have been reported by other licensing agencies.

NOTE: Under AS 08.20.163(b)(2)(i) if any action has been reported to the national database of the Federation of Chiropractic Licensing Boards, you are not eligible for a Locum Tenens Permit under Option 'B'.

3. Verification of active licensed clinical chiropractic practice for at least five years preceding the date of the application.
4. Certified transcripts showing degree granted from a school or college of chiropractic that is accredited by or a candidate for accreditation by the Council on Chiropractic Education sent directly to the Division of Corporations, Business and Professional Licensing by the college.

To find an office location or to download an application to request your records, visit their website at: www.dps.state.ak.us/staewide/background/ For other states or jurisdictions, you will need to contact their justice agency to request that an equivalent report be sent on your behalf.

ALASKA STATE CHIROPRACTIC EXAMINATION:

The Alaska State Chiropractic examination is administered by the Alaska Board of Chiropractic Examiners three times a year. Applications to sit for the examination must be received at least **45 days** before the scheduled examination date. Incomplete applications will be processed for the subsequent examination – no exceptions.

Information regarding exam dates and deadlines is available on the Division's website at: www.commerce.alaska.gov/occ/pchi.htm

The Alaska State Chiropractic Examination consists of two parts:

1. A written exam covering information in the statutes and regulations booklet published by the Division of Corporations, Business and Professional Licensing and available on the Division's website at: www.commerce.alaska.gov/occ/pchi.htm.
2. An oral exam with questions of a general nature.

In addition, the exam may cover any other subjects that are deemed necessary to demonstrate knowledge of chiropractic as defined in AS 08.20.230. A score of 75 percent or higher is required to receive a passing score on the examination.

GENERAL INFORMATION:

Please be aware that all information on this form will be available to the public unless required to be kept confidential by state or federal law. In addition, current licensee information is available on the division's website at: www.commerce.alaska.gov/occ under "Professional License Search."

Failure to receive a renewal notice does not excuse nonrenewal. All licenses expire on December 31 of even-numbered years, regardless of when the license was renewed or issued.

CHANGE OF ADDRESS: The address provided on your application is the address where official correspondence will be sent. In accordance with 12 AAC 02.900, a person must notify the division in writing of any change in address. An abandoned application is denied without prejudice and the application fee is forfeited. Under 12 AAC 16.030(c), an applicant must satisfy all licensing requirements within 18 months of passing the Alaska State Chiropractic examination.
