Concert Promoter Request for Return of Cash Deposit Instructions

The proper signature on the release form is determined by the following:

1. if the concert promoter was registered as a sole proprietor at all times during the effective period of the cash bond, the owner's signature must be notarized on this form;
2. if the concert promoter was registered as a partnership at any time during the effective period of the bond, EACH partner must complete a separate copy of this form and all forms must be submitted directly to the Division of Corporations, Business and Professional Licensing;
3. if the concert promoter was registered as a corporation at all times during the effective period of the cash deposit, the signature of an officer of the corporation must be notarized.

According to AS 08.92.030, a concert promoter who has filed a cash deposit as bond may request the return of the deposit by filing a notarized statement more than 10 days after the cash deposit has ceased to function as the bond for the concert promoter. The notarized statement must:

1. request the return of the cash deposit;
2. certify that the former promoter is no longer engaged in business as a concert promoter and give the date of the last concert promoted, OR that the cash deposit was replaced by a surety bond and state the effective date of the bond, in which case the original surety bond and its power of attorney must be on file with the state; and
3. certify that to the best of the promoter's knowledge, no action has been commenced upon the cash deposit which has not been dismissed or reduced to final judgment which has been satisfied.

The 10-day holding period begins with one of the following:

1. the lapse without reinstatement of the promoter's registration; or
2. the effective date of a surety bond which replaces the cash deposit; or
3. the date the Division of Corporations, Business and Professional Licensing receives a notarized statement from the promoter that s/he has ceased doing business as a concert promoter and returns the current, original concert promoter registration for cancellation.
