## DEN Information

### APPLICATION REVIEW:

The Alaska State Board of Dental Examiners conducts a thorough evaluation of education, training, employment or work history, malpractice history, and any criminal or disciplinary history. We recommend you do not make commitments for loans, practice start dates, home purchases, etc., based on the expectation of licensure. The board will not accelerate one application over others, nor will it forego any elements of the screening process.

If you received this application from a source other than directly from the division or its official website, the application may be outdated or not an official version. To ensure you have the official version, visit: *ProfessionalLicense.Alaska.Gov*.

### OTHER INFORMATION REQUIRED FOR LICENSURE:

As required by AS 08.32.014, the division will query the National Practitioner Data Bank (NPDB) and the American Association of Dental Boards Clearinghouse for disciplinary Information that relates to criminal or fraudulent activity, negligent dental care, or malpractice.

## General Information

---

### APPLICATION PROCESSING:

The average processing time varies by program. When the application is complete and correct, all supporting documents have been received and all fees have been paid, the license may be issued. Start the process far enough in advance to allow for processing time. Applications are reviewed in order of receipt in our office, and walk-in customers should not expect immediate review.

### LICENSE TERM:

Licenses are issued for a two-year period and expire on February 28 of odd-numbered years, regardless of the date of issuance, except licenses issued within 90 days of the expiration date which are issued to the next biennial expiration date. One renewal notice will be sent via email or mail at least 30 days before license expiration to the last known email or mailing address of record. Failure to receive a renewal notice does not relieve a licensee from the responsibility of renewing a license on time.

### PROFESSIONAL FITNESS QUESTIONS:

A “yes” response in the application does not mean your application will be denied. If you have responded “yes” to any professional fitness questions, submit an explanation with the charging and closing court documentation showing final disposition of charge(s) (e.g. court records, fitness letters, etc.).

### DENIAL OF APPLICATION:

Be aware that the denial of an application for licensure may be reported to any person, professional licensing board, federal, state, or local governmental agency, or other entity making a relevant inquiry or as may be required by law.

### ADDRESS OR NAME CHANGE:

In accordance with 12 AAC 02.900, it is the applicant's responsibility to notify the division, in writing, of changes of address or name. Name and address change notification forms are available on the division's website. The address of record with the division will be used to send renewals and all other official notifications. The name appearing on the license must be your current legal name.

### CERTIFIED TRUE COPIES:

If any of the required documents will be issued under a former name, indicate on the application and submit marriage license and/or court documents that are notarized as a “certified true copy of the original document”. To obtain a certified true copy, you must present the notary with the original document along with the photocopy. You must write, “I certify this is a true copy of the original document” and sign your name. The notary will compare the original document with the copy and then notarize your signature.

### SOCIAL SECURITY NUMBERS:

AS 08.01.060 requires a U.S. Social Security Number be on file with the division before a professional license is issued. If you do not have a U.S. Social Security Number, complete the Request for Exemption from Social Security Number Requirement form located at *ProfessionalLicense.Alaska.Gov*.

### PUBLIC INFORMATION:

All information on the application will be available as public record, unless required to be kept confidential by state or federal law.

### ABANDONED APPLICATIONS:

Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of biennial license and other fees paid. The application fee will not be refunded. If no request for refund is received within that timeframe, no refund will be issued, and all fees will be forfeited.

### BUSINESS LICENSES:

The status of a professional license will directly impact the status of an associated business license. Renewal applications for business licenses are mailed separately. For more information about business licenses, (907) 465-2550 or *BusinessLicense.Alaska.Gov*.

**STALE DOCUMENTS:**

Application forms, authorizations and verifications older than 12 months from the date the document was received by the division will be considered stale; the document must be resubmitted as appropriate before the application will be considered by the division or a licensing board. Application documents include the application documents and verifications of licensure from other licensing jurisdictions. (12 AAC 02.915)

**PAYMENT OF CHILD SUPPORT:**

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 to resolve payment issues.

**PRESCRIPTION DRUG MONITORING PROGRAM:**

All actively licensed practitioners with a DEA registration number valid to use in any state or practice location must register with the Alaska Prescription Drug Monitoring Program (PDMP) within 30 days of initial licensure and use the PDMP to review a patient's prescription history each time before prescribing, administering, or dispensing a federally scheduled II or III controlled substance. For more information, visit *PDMP.Alaska.Gov*.
