Instructions for REQUEST FOR EXEMPTION FROM PROFESSIONAL LICENSING REQUIREMENTS FOR MILITARY PERSONNEL (Form 08-4581)

This exemption is a means for military personnel to serve our country without fear of penalty due to an inability to maintain licensure. The exemption is valid while these conditions are met and for 180 days after returning to the licensee's permanent duty station. To remain licensed, the licensee must pay all fees and meet all other licensing requirements for the next licensing period after the exemption has ended. Before entering licensed practice for profit in the private sector, the licensee must come into full compliance with the licensing requirements for that licensing period.

To qualify for this exemption, military personnel must meet the following conditions:

- Alaska license in good standing at the time of the qualifying active duty order,
- Serving in a combat zone, danger pay post, or qualified hazardous duty pay area, and
- Not engaging in licensed practice for profit in the private sector.

Sec. 2. AS 08.01.100 is amended by adding a new subsection to read:

(g) A member of the armed forces of the United States on active duty in a combat zone, danger pay post, or qualified hazardous duty area, who is a licensee under this title in good standing at the time of the licensee's active duty order is exempt from any fees or other requirements to maintain that license or good standing while the licensee is in that zone, at that post, or in that area. This exemption is valid for 180 days after returning to the licensee's permanent duty station, if the licensee does not engage in licensed practice for profit in the private sector. The licensee shall pay fees and meet all other requirements for the license period beginning after the exemption ends. In this subsection,

(1) "combat zone" has the meaning given in 26 U.S.C. 112(c)(2) (Internal Revenue Code);

(2) "danger pay post" means a post so designated by the United States Secretary of State in the Department of State Standardized Regulations for purposes of danger pay under 5 U.S.C. 5928;

(3) "qualified hazardous duty area" means an area that, during the applicant's deployment, is treated as if it were a combat zone for purposes of a federal tax exemption under 26 U.S.C. 112 (Internal Revenue Code).
