APPLICATION FOR LICENSED PRACTICAL NURSE BY ENDORSEMENT

PLEASE READ the application instructions, statutes, and regulations before completing your application. Please retain this information for future reference. **YOU MUST HOLD A TEMPORARY PERMIT OR PERMANENT LICENSE TO PRACTICE NURSING IN ALASKA.**

If you received this application other than directly from the Division or its official website, the application may be outdated or not an official version. To ensure you have the official version, please contact the Division.

If you previously held a license in Alaska, DO NOT complete this form. You must complete an "Application for Reinstatement" and comply with the rules for reinstatement. See AS 08.68.251 and 12 AAC 44.317, Lapsed License, in the Board's statute and regulation booklet.

APPLICATION PROCEDURES - 12 AAC 44.305

The following documents must be submitted:

1. A completed application that is signed and notarized. A completed application must include an original, passport type photograph on photography paper, approximately two inches by two inches of the face and shoulders, taken within the six months immediately preceding the date of application.
2. Check or money order for \$275.00 (or \$325.00 to include a temporary permit) made payable to the State of Alaska. Fees: \$50.00 nonrefundable application fee, \$165.00 license fee, \$60.00 fingerprint processing fee and \$50.00 temporary permit fee (if permit requested).
3. One properly completed fingerprint card on a card supplied **or** approved by the Alaska Board of Nursing (**Form FD-258**). The completed fingerprint card will be used to check the criminal history records of the State of Alaska and the FBI per A.S. 12.62.400. National Criminal History Record Checks For Employment, Licensing, and Other Noncriminal Justice Purposes.
4. Verification of licensure sent directly from (or made available via the National Council of State Boards of Nursing (NCSBN) online verification system at www.nursys.com): 1) the state or Canadian province where you received **initial** licensure and 2) from a state or province where you hold a **CURRENT** license. (Send only one form if your initial license is still current.)

You must hold a current license in another state to be eligible for a nursing license by endorsement in Alaska. This license must be current at the time the board issues the permanent license. An inactive status is not a current license.

Canadian nurses who passed the CNATS exam before August 1980, with a score of at least 350 on each of the five parts of the examination, or after July 1980 but before 1992, with a score of 400 may apply for a License by Endorsement. Applicants who took the CNATS after June 1992 must apply to take the NCLEX examination. (See 12 AAC 44.310(d)).

5. Verification, on a form provided by the Department, of at least 320 hours of employment in a nursing capacity within the last two years before the date the application is received by the Board. If you cannot document 320 hours of employment in the past two years, you must satisfy the continuing competency requirements of the Board or complete a Board approved refresher course.

If you have not practiced nursing within the past five years, you must submit proof of completion of a Board approved refresher course as required by 12 AAC 44.305(a)(4). Board approved refresher courses can be found at www.nursing.alaska.gov.

APPLICATION PROCEDURES CONTINUED:

6. If you graduated from a registered nurse or practical nurse program offered by a school of nursing outside of the United States including territories or Canada, except Quebec, Canada, where English is not the primary language of the country or from a school in the United States and territories where English is not the primary language, verification of passing one of the following English proficiency examinations, with at least the following minimum scores:
 - International English Language Testing System (IELTS) academic examination – overall score of 6.5 with a minimum of 6.0 on all modules;
 - Test of English as a Foreign Language, paper-based test (TOEFL-PBT) – overall score of 560 with a score on the Test of Spoken English (TSE) of 50;
 - Test of English as a Foreign Language, computer-based test (TOEFL-CBT) – overall score of 220 with a score on the Test of Spoken English (TSE) of 50;
 - Test of English as a Foreign Language, Internet-based test (TOEFL-iBT) – overall score of 84 with a speaking score of 26.

Note: California LVNs who wrote the state examination after July 1974 through October 1986 must pass the NCLEX-PN licensing examination if they have not already done so.

TEMPORARY PERMIT – 12 AAC 44.320

A temporary permit may be issued at the discretion of the board. To be eligible for the permit, in addition to the application documents and fees, submit:

1. An additional \$50 fee for the temporary permit,
2. A certified true copy of your current license in another state licensing jurisdiction, and
3. A completed employment verification form.

Temporary permits are valid for six months and are nonrenewable. Temporary permits are generally issued within 10 business days of receipt of a properly completed application, fees, fingerprint cards, completed employment verification form and certified true copy of a current license. **It is your responsibility to know the expiration date of your permit and to make sure your paperwork is complete for your permanent license.**

To obtain a “certified true copy,” a notary public must compare the original to the photocopy. The notary must write “I certify this to be a true copy of the original document” on the photocopy and attest to that fact by signing and notarizing the document.

If the notary will not certify the copy, you may certify that it is a true copy of the original and have your signature notarized. Be sure that the notary signs and seals the document with an official seal.

GENERAL INFORMATION

Please be aware that the denial of an application for licensure may be reported to any person, professional licensing board, federal, state or local government agency, or other entity making a relevant inquiry or as may be required by law.

PROCESSING TIME - Applications will be processed according to the date received and **generally** within the following time frame:

All applications have an initial review within 10 working days of receipt of the application.

- If all documents for the permanent license are present, your permanent license will be issued at the time of the initial review. If documents are missing, notification will be sent to you by mail or e-mail.
- If a temporary permit is requested and documents for the permanent license are incomplete, a temporary permit may be issued. If you paid for a temporary permit and one is not needed, a refund of the \$50 fee will be processed.

Wait for your first status letter to reach you before calling the Division to ask for status updates.

SOCIAL SECURITY NUMBERS - Alaska Statute 08.01.060(b) requires an applicant for an occupational license to provide a United States Social Security Number. Applicants who do not have a social security number must complete the Request for Exception from Social Security Number Requirement form located on the board’s website at www.nursing.alaska.gov or contact the Division office for the form.

PAYMENT OF CHILD SUPPORT AND STUDENT LOANS - If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, or if the Alaska Commission on Postsecondary Education has determined you are in loan default, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 or the Postsecondary Education office at (907) 465-2962 or 1-800-441-2962 to resolve payment issues.

FIRST DATE OF LICENSURE AND RENEWAL DATES - All LPN licenses expire on September 30 of even-numbered years regardless of when the license is first issued, except new licenses issued within 90 days of the expiration date. These licenses will be issued effective through the next biennium.
