-

---

20. It's time to take your biennial Inventory for Controlled Substances. Pick ALL that apply for your inventory: DEA Pharmacist's Manual, Section VII:

→ **REFERENCE: DEA Pharmacist's Manual, Section VII:**

- Schedule II drugs require an exact count
  - Schedule III-V drugs require an exact count
  - Inventory records must be maintained for 2 years
  - Inventory should be done only during close of business hours
  - Schedule III-V drugs that are expired are exempt from inventory
  - Final inventory must be certified by the DEA
- 

21. It is Friday and an hour before closing time. A physician calls in a prescription for Percocet® 10-325 for an emergency situation. What is the acceptable response to this situation?

→ **REFERENCE: DEA Pharmacist's Manual, Section V:**

- Inform the physician that he/she will be required to provide a written hardcopy within seven days
  - Inform the physician that it is unlawful to phone in Percocet® 10-325 and you are going to report him/her to the DEA
  - Be upfront with the physician and state that you feel uncomfortable with this request and recommend that he/she call another pharmacy
  - Discourage the physician from calling in Percocet® and persuade him/her to use an alternate medication from the C-III-V class
- 

22. A prescription is brought in for Ritalin® 10mg that was written 10 days ago. How long is the prescription valid?

→ **REFERENCE: DEA Pharmacist's Manual, Section X:**

- The prescription is void because it must have been filled within 72 hours
  - 1 month from the date written
  - 6 months from the date written
  - 12 months from the date written
- 

23. A pharmacist may add the following information to a Schedule II controlled substance prescription after oral consultation with the prescriber:

→ **REFERENCE: 12 ACC 52.460**

- Strength of the drug prescribed
  - Drug dosage form
  - Drug quantity prescribed
  - All of the above
- 

24. A change in a pharmacy's name or physical location requires:

→ **REFERENCE: 12 ACC 52.030**

- Written notice to the board within 10 days of the change
  - Written notice to the board within 30 days of the change
  - A new self-inspection only
  - Application for a new and separate license
-
