A person who does not hold their first professional degree from a qualifying U.S. educational institution may apply for licensure as a foreign-trained physical therapist or physical therapy assistant in the State of Alaska under the provisions of AS 08.84. Applicants may qualify for licensure by credentials (see Part I) or by examination (see Part III). Parts II and IV explain the qualifications for issuance of a temporary permit.

If you have questions concerning the licensing requirements described, please contact the licensing examiner for the State Physical Therapy and Occupational Therapy Board via email at: license@alaska.gov.

Please read the application and instructions carefully. Failure to do so may cause additional correspondence and delay the processing of your application. All required forms and documentation must be mailed to the Division directly from the required source or they will not be accepted. To avoid delays, do not provide a mailing envelope to the other agencies or sources that are required to mail documents directly to the Division.

IMMIGRATION

In accordance with AS 08.84.032(a)(4), the applicant must have met applicable requirements under the Federal Immigration and Nationality Act.

If you received this application other than directly from the Division or its official website, the application may be outdated or not an official version. To ensure you have the official version, download the application from our website, ProfessionalLicense.Alaska.Gov/PhysicalTherapyOccupationalTherapy, or contact the Division.

**PART II – TEMPORARY PERMIT FOR FOREIGN-TRAINED CREDENTIAL APPLICANTS**

The board will issue a temporary permit to practice physical therapy to an applicant who meets the criteria set out in AS 08.84.065. Do not apply for a temporary permit if you answer “Yes” to any of the professional fitness questions on page four of the application (form 08-4091). The temporary permit allows an applicant to practice while waiting to complete application for licensure by credentials. All documents under Part I above, plus the $65.00 temporary permit fee, must be in this office before your application for a temporary permit will be considered.
PART III – LICENSURE BY EXAMINATION

Alaska offers the national physical therapy examination by computer through the Federation of State Boards of Physical Therapy. The board must approve your application to sit for the examination. The exam is offered in Alaska in one location, Anchorage. However, once approved by the board, you may sit for the examination at any Prometric Test Center in the United States.

A. Internship

Prior to making your request to take the National Physical Therapy Examination (NPTE), you must be accepted into a PT or PTA internship in accordance with 12 AAC 54.040. The 6 month internship must be approved by the board before you may begin it. The following items must be received by this office for the board's review. Make check or money order payable to the State of Alaska.

1. A completed notarized application and $150.00 nonrefundable application fee.
2. Initial licensure fee of $240.00 for Physical Therapist or $175.00 for Physical Therapy Assistant.
3. Authorization of Release of Records (form 08-4091a)
4. Jurisprudence Questionnaire (form 08-4091b).
5. A Credentials Evaluation Report sent directly by the credentials evaluation service, or if you graduated from a School of Physical Therapy approved by the “Council on Medical Education and Hospitals of the American Medical Association,” or the “American Physical Therapy Association,” you only need to have your School of Physical Therapy submit certified transcripts (sent directly from school).
6. A Professional Reference from the head of the physical therapy school, or an instructor, physician, supervising physical therapist or supervisor (form 08-4091c).
7. Preceptor Statement for Internship of Foreign-Trained Physical Therapist (form 08-4091g).

When your internship is completed, the following documents must be submitted to the board:

1. Candidate Evaluation of Internship (form 08-4091i).
2. Preceptor Evaluation of Foreign-Trained Candidate (form 08-4091j).

It is recommended that you complete all English exams and the NPTE prior to the completion of your internship.

The board will review the evaluation forms and determine if the applicant has successfully completed the internship. If the board determines that the internship is complete and the applicant has not yet passed the NPTE examination, a temporary permit may be issued in accordance with Part IV.

B. Examination

When you are ready to take the examination, you must apply directly to the Federation of State Boards of Physical Therapy (FSBPT) at their website, www.fsbpt.org. Be sure to inform the board that you have registered to take the exam.

Programs under the jurisdiction of the Division of Corporations, Business and Professional Licensing are administered in accordance with the Americans with Disabilities Act. If you require a special accommodation when taking the licensing examination, you must submit a completed Application for Examination Accommodation for Candidates with Disabilities form. This form is available on the division’s website: http://commerce.alaska.gov/dnn/cbpl/ProfessionalLicensing.aspx or contact the division to request the form.

C. Licensure

Before a license can be granted, the following items must be received:

1. All of the items listed above under A & B, AND;
2. Verification of passage of the English language proficiency examination [TOEFL] (see page 2).
3. Verification of completion of your internship. Candidate Evaluation of Internship (form 08-4091i) and Preceptor Evaluation of Foreign-Trained Candidate (form 08-4091j) must be completed and submitted.
PART IV – TEMPORARY PERMIT FOR FOREIGN-TRAINED EXAM CANDIDATES

After an applicant has satisfactorily completed the required Alaska internship, the applicant may apply for a temporary permit, but only if the applicant has not taken the national physical therapy examination. The following documents must be in this office before a temporary permit will be issued:

1. Temporary permit fee of $65.00.
2. All documents and fees listed under “A. Internship” requirement.
3. Verification of passage of the English language proficiency examinations [TOEFL] (see page 2).
4. Temporary Permit Statement of Responsibility for Foreign-Trained Applicant (form 08-4091k).
5. Confirmation from the testing center indicating the date you are scheduled to take the NPTE exam. Request that FSBPT notify the State of Alaska.

The temporary permit will expire on the date your NPTE Exam Scores are posted and your permanent license cannot be issued unless you have passed all English exams. It is, therefore, recommended that you complete all English exams and the NPTE prior to the completion of your internship.

GENERAL INFORMATION:
The application process takes 4 to 6 weeks from the time all documents are received and your application file is complete, so please plan accordingly. Once your application is complete, your application will be reviewed by the Board either by “Mail Vote” or at a Board meeting. Print your name on every page of the application.

All licenses expire on June 30 of even-numbered years regardless of when issued, except new licenses issued within 90 days of the expiration date will be issued to the next biennium.

License fees are subject to change.

If any of the required documents (i.e., transcripts, verifications of licensure, etc.) will be issued under your former name, indicate on the application and submit marriage license and/or court documents that are notarized as a “certified true copy of the original document”.

SOCIAL SECURITY NUMBERS – Alaska Statute 08.01.060(b) requires an applicant for an occupational license to provide a United States Social Security Number. Applicants who do not have a social security number must complete the Request for Exception from Social Security Number Requirement form located on the Division’s website at http://commerce.alaska.gov/dnn/cbpl/Home.aspx or contact the Division to request the form.

PAYMENT OF CHILD SUPPORT AND STUDENT LOANS – If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, or if the Alaska Commission on Post-Secondary Education has determined you are in loan default, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 or the Post-Secondary Education office at (907) 465-2962 or 1-800-441-2962 to resolve payment issues.

PUBLIC INFORMATION – Please be aware that all information on the initial application form will be available to the public, unless required to be kept confidential by state or federal law. Information about current licensees, including mailing addresses, is available on the division’s website at http://commerce.alaska.gov/dnn/cbpl/Home.aspx under License Search.

“YES” RESPONSES – A “yes” response does not mean your application will automatically be denied. Applications with a “Yes” response generally require additional time for review. If you respond “Yes” to one of the professional fitness questions in the application, you must submit the following:
- A separate signed and dated explanation, in your own words
- Copies of charging documents
- Copies of final court documents
- For questions 7, 8 & 9, safe to practice statements sent directly to the Division by your medical provider

DENIAL OF APPLICATION – Please be aware that the denial of an application for licensure may be reported to any person, professional licensing Board, federal, state or local government agency, or other entity making a relevant inquiry or as may be required by law.

TO AVOID APPLICATION DELAYS:
- Do not provide mailing envelopes with your requests for verification of licensure, professional reference, verification of work experience or transcripts.

- You may want to keep a copy of your application for your records.
