Upon a motion by Ms. Turner, seconded by Dr. DeRuyter and approved unanimously, it was:

MOVED to decline to adopt the decision, and instead order under AS 44.64.060(e)(2) that the case be returned to ALJ Whitney to take additional evidence about 12 AAC 60.083(b)(2)(B). In this case, the additional evidence would be an

official statement from Union Institute & University verifying that the professors, other than those listed as official UI&U faculty by UI&U, were considered faculty at UI&U for this degree. At this point, the Board has only an unsigned log from the applicant indicating that they were considered UI&U faculty.
