3. OFFICIAL TRANSCRIPTS

Official transcripts sent directly from all undergraduate and graduate schools attended.

4. VERIFICATION OF LICENSURE

Verification of Licensure must be sent directly to the department from each jurisdiction where the applicant holds or has ever held a license to practice psychology. Each verification must include an explanation of any disciplinary action taken against the licensee. Check with each of the state boards you are or have been licensed in for their verification request process. If a state offers primary source verification on their website, that can be accepted as long as the website clearly confirms that it's a primary source verification.

Temporary License Information

A temporary license is required while obtaining post master supervised experience. Once the board approves the application and post master supervision plan, the applicant is scheduled for the State Law and Ethics Examination. Upon successful completion of the required State Law and Ethics Examination, a temporary license will be issued. The applicant may then begin supervised practice and sit for the National EPPP Examination. The temporary license is valid for two years from the date of issuance and the board will extend the temporary license if the applicant meets the requirements under 12 AAC 60.020(b) and demonstrates, to the satisfaction of the board, that an extension is necessary to complete the supervised experience.

Examination Information

Applicants must pass both the computerized National Examination for Professional Practice in Psychology (EPPP) and the State Law and Ethics Examination. The state examination is administered separate from the computerized EPPP examination.

To schedule both the EPPP and State Law and Ethics exams, contact the psychology board at *BoardOfPsychologists@Alaska.Gov*.

In Alaska, the EPPP is administered via computer in Anchorage; however, applicants may sit in any Prometric Test Center within the United States, U.S. Territories, or Canada. Upon application approval by the board, applicants will receive further instructions regarding administration and scheduling of the EPPP examination.

Note that while the EPPP examination is offered up to four times per year because of computerization, AS 08.86.162 limits the number of times a psychological associate applicant can be examined to twice per year.

The State Law & Ethics Examination is offered four times per year. It is not computerized and is administered separate from the national examination.

Programs under the jurisdiction of the Division of Occupational Licensing are administered in accordance with the Americans with Disabilities Act. If you require a special accommodation when taking the licensing examination, you must submit a completed Application for Examination Accommodation for Candidates with Disabilities form. This form is available on the division's Website: *ProfessionalLicense.Alaska.Gov* or contact the division to request the form.

Out-of-State Applicants

Applicants licensed in another state as a psychological associate must meet Alaska's requirements for licensure, including passing the State Law and Ethics Examination. Verification of out-of-state licensure must also be provided and sent directly from applicable jurisdictions. Verification of EPPP score must be sent directly to the department from the ASPPB. Supervision obtained in another jurisdiction must meet Alaska's requirements. Applicants may use the enclosed Statement of Supervised Experience form (#08-4362f).

General Information

APPLICATION PROCESSING:

The average processing time varies by program. When the application is complete and correct, all supporting documents have been received and all fees have been paid, the license application will be sent to the board for approval. Start the process far enough in advance to allow for processing time. Applications are reviewed in order of receipt in our office, and walk-in customers should not expect immediate review.

LICENSE TERM:

Licenses are issued for a two-year period and expire on June 30 of odd-numbered years, regardless of the date of issuance, except licenses issued within 90 days of the expiration date which are issued to the next biennial expiration date. One renewal notice will be sent via email or mail at least 30 days before license expiration to the last known email or mailing address of record. Failure to receive a renewal notice does not relieve a licensee from the responsibility of renewing a license on time.

PROFESSIONAL FITNESS QUESTIONS:

A "yes" response in the application does not mean your application will be denied. If you have responded "yes" to any professional fitness questions, submit an explanation with the charging and closing court documentation showing final disposition of charge(s) (e.g. court records, fitness letters, etc.).

DENIAL OF APPLICATION:

Be aware that the denial of an application for licensure may be reported to any person, professional licensing board, federal, state, or local governmental agency, or other entity making a relevant inquiry or as may be required by law.

ADDRESS OR NAME CHANGE:

In accordance with 12 AAC 02.900, it is the applicant's responsibility to notify the division, in writing, of changes of address or name. Name and address change notification forms are available on the division's website. The address of record with the division will be used to send renewals and all other official notifications. The name appearing on the license must be your current legal name.

CERTIFIED TRUE COPIES:

If any of the required documents will be issued under a former name, indicate on the application and submit marriage license and/or court documents that are notarized as a "certified true copy of the original document". To obtain a certified true copy, you must present the notary with the original document along with the photocopy. You must write, "I certify this is a true copy of the original document" and sign your name. The notary will compare the original document with the copy and then notarize your signature.

SOCIAL SECURITY NUMBERS:

AS 08.01.060 requires a U.S. Social Security Number be on file with the division before a professional license is issued. If you do not have a U.S. Social Security Number, complete the Request for Exemption from Social Security Number Requirement form located at *ProfessionalLicense.Alaska.Gov.*

PUBLIC INFORMATION:

All information on the application will be available as public record, unless required to be kept confidential by state or federal law.

ABANDONED APPLICATIONS:

Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of biennial license and other fees paid. The application fee will not be refunded. If no request for refund is received within that timeframe, no refund will be issued, and all fees will be forfeited.

BUSINESS LICENSES:

The status of a professional license will directly impact the status of an associated business license. Renewal applications for business licenses are mailed separately. For more information about business licenses, (907) 465-2550 or *BusinessLicense.Alaska.Gov.*

STALE DOCUMENTS:

Application forms, authorizations and verifications older than 12 months from the date the document was received by the division will be considered stale; the document must be resubmitted as appropriate before the application will be considered by the division or a licensing board. Application documents include the application documents and verifications of licensure from other licensing jurisdictions. (12 AAC 02.915)

PAYMENT OF CHILD SUPPORT:

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 to resolve payment issues.

STATUTES AND REGULATIONS:

The complete set of statutes and regulations for this program are available by written request or online at the division's website: *ProfessionalLicense.Alaska.Gov.* To receive notification of all proposed regulation changes, send a request with your name, preferred contact method (mail or email), and the program you want to be updated on to the regulation specialist at the following email: *RegulationsAndPublicComment@Alaska.Gov.*
