Dear Mr. King:

We have received your pre-qualification application for [REDACTED] to receive a tax credit under the Alaska Film Production Tax Credit program. After reviewing your materials, we are unable to pre-qualify your project for a tax credit.

Qualifying expenses must have been incurred after the effective date of the legislation, September 3, 2008, to be eligible for the Alaska Film Production Tax Credit. Unfortunately, your production's Alaskan expenses occurred prior to the effective date of the program and are therefore ineligible for the tax credit.

Thank you for taking the time to submit your application. We appreciate your choice to film in Alaska and wish your film success with audiences around the globe.

Sincerely,

David Worrell, Manager
Alaska Film Office
