Dear Mr. Huntley:

We have received your pre-qualification application for [REDACTED] to receive a tax credit under Alaska's film production tax credit program. After reviewing your script, budget and application, we are approving your request to pre-qualify your project for a tax credit. Qualifying expenses incurred after [REDACTED] (as per our agreement due to new processes being formed) may be eligible for the Alaska Film Tax Credit. Any expenses incurred on or before [REDACTED] are not eligible.

This approval does not guarantee the amount of tax credit that may be earned. After we receive the final application for the tax credit along with proper back-up and verification from an Alaskan CPA firm, we can determine the actual tax credit. We acknowledge you estimate a potential [REDACTED] tax credit.

It is also important to note that the Alaska Film Incentive Tax Credit is still going through the regulations process. Any producer incurring expenses while the regulations are still being vetted does so under the assumed risk that expenses believed to qualify for a tax credit may not.

Thank you for your application and we thank you for filming in Alaska.

Sincerely,

A handwritten signature in cursive script, appearing to read "Mary Katzke".
