SUBJECT: QUALIFICATION NOTICE
Production ID # 90038256

Dear Contact Name:

We received the pre-qualification package for [REDACTED] to receive a tax credit under the Alaska Film Production Tax Credit program. After reviewing the materials, we are qualifying the project for a tax credit of approximately [REDACTED]. Based on information on the pre-qualification form, the qualification period for this production is from [REDACTED] to [REDACTED]. Only direct expenses incurred in Alaska, from Alaska vendors, during the qualification period will be eligible for the tax credit. To qualify, wages, salaries and professional fees must be for time spent in Alaska during the qualification period – salaries and fees must be pro-rated based on percent of project spent in Alaska.

Compliance with all laws and regulations is required for productions. In addition, productions applying for the tax credit must have a valid Alaska Business License during the qualification period. To insure the tax credit, you must procure an Alaska Business License at your earliest convenience and keep it active during the entire production.

Productions are required to meet with the Alaska Film Office, either in person or via teleconference, for a pre-production briefing. This meeting should be scheduled approximately three weeks prior to the start of production and include your production manager/line producer, location manager, and local production services contractor(s). At this meeting, we will review your production plan and schedules, identify any additional state agency coordination needed, and address any other matters that may require attention prior to the commencement of production.

This Qualification Notice is not a guarantee of a production tax credit or the amount of tax credit that may be earned. All expenses claimed under the Alaska Film Production Tax Credit program must be verified by an Alaska-licensed CPA and approved by the Alaska Film Office during the final application process. After we receive your final application for the tax credit and the required verification materials we will determine the actual tax credit amount. The Alaska Film Office may award a larger or smaller tax credit, depending on circumstances. Statutes and regulations regarding the award of tax credits can be viewed on our website: <http://www.film.alaska.gov>.

Thank you for your application. We appreciate your choice to film in Alaska and wish you a successful production.

Sincerely,

David Worrell
