DISCLAIMERS

Qualification of a production using this form is not a guarantee of receiving a Tax Credit under the Alaska Film Incentive program nor does it guarantee the size of a Tax Credit issued under the program. While an estimate of potential tax credits is included, the tax credits approved will vary depending on the production's actual qualified expenditures.

Production Tax Credits are issued based on qualified expenditures that are verified by an independent, Alaska-Licensed Certified Public Accountant (CPA). To be verified, all qualified expenses must be paid in full - no tax credits will be issued to productions with outstanding obligations to vendors and/or individuals.

Productions must have a valid Alaska Business License during production. Out-of-state LLCs and Corporations must register with the Alaska Dept. of Commerce, Community, and Economic Development, Division of Corporations, Business and Professional Licensing. SUBJECT: QUALIFICATION NOTICE
Production ID # 90047738

Dear Ms. Rice:

We received the pre-qualification package for [REDACTED] to receive a tax credit under the Alaska Film Production Tax Credit program. After reviewing the materials, we are qualifying the project for a tax credit of approximately \$ [REDACTED].

Based on information on the pre-qualification form, the qualification period for this production is from [REDACTED] to [REDACTED]. Only direct expenses incurred in Alaska, from Alaska vendors, during the qualification period will be eligible for the tax credit. To qualify, wages, salaries and professional fees must be for time spent in Alaska during the qualification period – salaries and fees must be pro-rated based on percent of project spent in Alaska.

Compliance with all laws and regulations is required for productions. In addition, productions applying for the tax credit must have a valid Alaska Business License during the qualification period. To insure your tax credit, you keep your Alaska Business License active during the entire production. Please note, any and all individuals paid as contractors (as opposed to employees of the production company) must also have an active Alaska Business license.

The purpose of the film incentive program is to create direct economic benefits and to develop to Alaska's film and television workforce and supplier network. The Qualification Review Committee is scrutinizing all productions, particularly those seeking repeat awards under the program, to see progress toward greater Alaska hire and maximum utilization of Alaska vendors. Consideration of future applications will include whether you are increasing Alaska hire and use of Alaska vendors.

This Qualification Notice is not a guarantee of a production tax credit or the amount of tax credit that may be earned. All expenses claimed under the Alaska Film Production Tax Credit program must be verified by an Alaska-licensed CPA and approved by the Alaska Film Office during the final application process. After we receive your final application for the tax credit and the required verification materials we will determine the actual tax credit amount. The Alaska Film Office may award a larger or smaller tax credit, depending on circumstances. Statutes and regulations regarding the award of tax credits can be viewed on our website: <http://www.film.alaska.gov>.

Thank you for your application. We appreciate your choice to film in Alaska and wish you a successful production.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Worrell".
