BULLETIN B20-25

TO: ADMITTED INSURERS WRITING PROPERTY AND CASUALTY BUSINESS IN THE STATE OF ALASKA AND OTHER INTERESTED PARTIES

RE: REPORTING OF STATISTICAL DATA

Regulatory Adoption Order RA20-02 adopted regulations which establish a new Article 7. *Reporting of Statistical Data by Property and Casualty Insurance Companies* within Title 3, chapter 29 of the Alaska Administrative Code, effective December 20, 2020, in accordance with AS 21.39.130(a).

In particular, 3 AAC 29.620 requires:

An insurer authorized in this state shall report the insurer's insurance statistical experience for lines of insurance described under 3 AAC 29.600(b) to a statistical agent designated by the director. The insurer shall submit the data in accordance with the statistical plans approved by the director under 3 AAC 29.615.

This bulletin provides a listing of statistical agents designated by the director, by Annual Statement Line of Business (ASLOB). Where there are multiple statistical agents designated for a particular ASLOB, insurers may choose to which statistical agent they report. Where there are no statistical agents designated for a particular ASLOB, there is no requirement to report data at this time and no requirement to notify the director, despite 3 AAC 29.655.

Statistical plans should be obtained from the statistical agents directly. Contact information for statistical agents can be found in the Actuarial section of the Division's Annual Report.

If you have questions regarding this bulletin, please contact Michael Ricker at (907) 465-2564; or via email at michael.ricker@alaska.gov.

Dated December 17, 2020.

Lori Wing-Heier
Director
